OVERVIEW

Yacht Works Unveils the True North 34 Outboard Express by Catalina

The Ultimate Exploration Yacht

Designed for those with a passion for adventure, this yacht seamlessly merges luxury with the great outdoors. The intelligently crafted layout places all primary living spaces, including the kitchen, on one level, seamlessly flowing into the spacious aft cockpit. Whether facing stormy seas or calm waters, you'll experience a cozy yet airy ambiance, fostering a deep connection with your surroundings. With limitless adventure options, every weekend becomes a chance for new discoveries.

A Gathering Haven

Yachts have a special way of uniting people, and the True North 34 is no different. Sharing meals and creating memories with family and friends is a highlight, and the "open concept" interior, featuring a "galley-up" layout, is a favorite among current owners. Cooking enthusiasts will love the roomy, well-appointed kitchen, while everyone enjoys being at the center of the action.

Unique Craftsmanship

The Outboard Express performs exceptionally in calm waters and excels in challenging conditions. Its sharp, upright bow slices through waves, ensuring a smooth journey even in rough seas. The hull's balanced weight distribution and flatter aft sections provide stability in almost any weather. Inspired by vessels that operate all year round, this yacht guarantees dependability, allowing you to enjoy the water no matter the forecast.

Proudly Built in the USA

Crafted by expert artisans in Largo, Florida, the True North 34 Outboard Express is the culmination of decades of boat-building mastery. The team

behind this yacht has played a role in creating some of the most successful powerboats and sailboats over the last 25 years. Their vast experience is reflected in the outstanding quality of each vessel. We also embrace customization; many of our adventure features stem from owner ideas. If you have a new concept or require a tailored solution, we'll design it to enhance your yachting experience.

DETAILED DESCRIPTION

Section name

The True North 34 Outboard Express by Catalina epitomizes the ultimate all-purpose vessel, crafted for those who seek adventure and cherish the natural world. This boat seamlessly combines luxury and practicality, with its primary living areas, including a fully-equipped galley, all on one level. This thoughtful design allows for an effortless flow into the expansive cockpit at the rear, fostering a close connection with your environment, whether the weather is calm and sunny or wild and stormy. With numerous adventure possibilities, this boat is ready to conquer any weekend escapade.

As a vessel designed for socializing, the True North 34 Outboard Express excels at bringing people together. Its open-plan interior, featuring a "galley-up" layout, is a beloved feature among current owners. This arrangement places the galley at the center of activity, making it a joy for passionate chefs and a focal point for gatherings with friends and family. The spacious, well-outfitted galley ensures culinary enthusiasts have all they need to craft unforgettable meals on the water.

The Outboard Express's design is truly transformative, delivering outstanding performance on calm waters in good weather while also excelling in challenging sea conditions. The sharp, vertical bow is designed to cut through waves rather than ride over them, ensuring a smoother journey as the seas rise. The hull's balanced weight distribution and flatter aft sections provide a stable ride in nearly any weather. Inspired by vessels that operate year-round in various conditions, the True North 34 Outboard Express guarantees you won't miss a day on the water, even when the weather turns unfavorable.

Proudly built in the USA, this boat is the product of skilled artisans in Largo, Florida. The True North 34 Outboard Express is the creation of boat builders

with a remarkable history of producing some of the most successful powerboats and sailboats over the last 25 years. The extensive boat-building expertise of the True North team is evident in the exceptional quality of each vessel they produce. Moreover, the team welcomes customization, incorporating adventure features inspired by owner ideas. If you come across a new gadget or an innovative way to store equipment, the team will design a solution to enhance your boating experience.

Basic boat info

Presenting the Medium Gray, a remarkable new entry in the realm of powerboats, meticulously crafted by the esteemed Catalina Yachts. This 2025 edition, the True North 34 Outboard Express, represents an ideal fusion of contemporary design and sturdy construction. Engineered with precision and skill, this vessel is made from premium fiberglass, guaranteeing both resilience and a polished appearance. The hull ID, CTYT0127L425, attests to its authenticity and craftsmanship, reflecting the meticulous attention to detail for which Catalina Yachts is celebrated. As a brand-new vessel, the Medium Gray is in immaculate condition, poised to deliver outstanding performance on the water. Classified in the power category, this boat is engineered to offer exhilarating experiences and unforgettable adventures. Whether you are an experienced mariner or a newcomer to boating, the True North 34 Outboard Express is set to be a dependable and thrilling partner on your nautical explorations.

Dimensions

The True North 34 Outboard Express showcases remarkable dimensions that elevate its performance and comfort. Stretching to an overall length of 39 feet, this vessel provides abundant space for both leisure and exploration. The deck

spans 33 feet 4 inches, offering a generous area for outdoor enjoyment and social gatherings. With a waterline length of 33 feet, the boat maintains excellent stability and smooth sailing capabilities. A beam of 12 feet 2 inches ensures a roomy interior, facilitating easy movement and comfortable accommodation. The draft varies from a minimum of 2 feet to a maximum of 2 feet 10 inches, making it adaptable to diverse water conditions. The bridge clearance is 11 feet, allowing for seamless navigation under bridges and other obstacles. Featuring a deadrise of 18 degrees, the boat is crafted to slice through waves efficiently, ensuring a smooth and pleasurable ride. The electrical system runs on 12 volts, providing dependable power for all onboard equipment. Inside, the yacht includes a well-equipped cabin, offering a cozy haven for rest and relaxation. These dimensions and features make the True North 34 Outboard Express an ideal choice for those in search of both adventure and comfort on the water.

Engines / speed

The True North 34 Outboard Express is driven by a powerful duo of Yamaha F350 engines, each offering a remarkable 350 horsepower. These outboard-4s engines are crafted for unleaded fuel, guaranteeing both efficient and robust performance on the water. Both engines feature three-blade stainless steel propellers, which enhance their strength and effectiveness. Engine #1 is strategically placed on the port side, while Engine #2 is situated on the starboard side, ensuring balanced thrust and agility. These engines are brand new, with zero operational hours, and belong to the 2024 model year, providing the latest advancements in marine technology and dependability. With a combined engine power of 700 horsepower, the True North 34 Outboard Express delivers thrilling speed and performance, making it the perfect choice for those seeking both power and precision in their maritime adventures.

Tanks

The True North 34 Outboard Express boasts a meticulously crafted tank system, providing ample capacity for long-distance adventures on the water. The yacht is equipped with a single fuel tank, holding an impressive 250 gallons, made from robust aluminum to ensure both efficiency and durability. This generous fuel capacity allows for extended cruising without the need for frequent refueling. Complementing the fuel system, the vessel also features a water tank with a 75-gallon capacity, constructed from durable plastic, guaranteeing a steady supply of fresh water for all onboard requirements. Additionally, the yacht includes a holding tank, also made from plastic, with a 30-gallon capacity, designed for efficient and hygienic waste management. These carefully designed tanks ensure that the True North 34 Outboard Express is fully equipped for lengthy voyages, providing convenience and peace of mind to all passengers.

Additional info

The True North 34 Outboard Express is a multifaceted yacht, categorized as an Express Cruiser, Downeast, and Lobster Boat, seamlessly combining elegance with practicality. It is equipped with a single head and an electric windlass, ensuring effortless operation and comfort. Driven by twin Yamaha 350 engines with the Helm Master EX Joystick, this vessel guarantees outstanding maneuverability and control. The custom Awl Grip Medium Gray finish lends it a sleek and refined look, enhanced by upgraded pilot house cushions and an ultra-leather helm seat in a coastal motif.

The pilothouse is refined with a hardback enclosure featuring a laminate teak and holly floor, while the extended bow rail and varnished teak coaming pads contribute to the yacht's sophistication. For added convenience, the boat is equipped with a remote searchlight, a bow thruster with joystick control, and

white mesh covers for the forward and side windows. The oyster-colored canvas package covers the helm, seats, table, and hatches, offering both protection and style.

Entertainment and comfort are prioritized with a smart TV that drops down in the pilothouse, a microwave/convection oven, and an additional refrigerator in the saloon galley. Anglers will appreciate the extra rod holders and cup holder/rod holders, while underwater lights and an insulated aft-facing cockpit seat enhance the overall experience. The Zip Wake Trim Control System replaces standard trim tabs, delivering superior performance, and the raw water wash down at the bow and stern ensures easy maintenance.

The outboard engine flush system, shrink wrap for transport, and custom Sunbrella option in Dolce Oasis SKU-56001-000 further elevate the boat's allure. Comfort is guaranteed with a generator and air conditioning system providing 26,000 BTUs to the pilothouse and cabin, while the Seakeeper 2 Gyro Stabilizer ensures a smooth journey. The Garmin and Fusion electronics packages include the Garmin 8616xsv GPSMAP, 24" Fantom Radar, VHF 315 Marine Radio, Reactor 40 Auto Pilot, B150M Transducer, and WB70 Fusion Marine Stereo with Fusion speakers, ensuring exceptional navigation and entertainment.

Please be aware that the company provides the details of this yacht in good faith but cannot guarantee or warrant the accuracy of this information or the condition of the vessel. Buyers are advised to have their agents or surveyors verify any details they wish to confirm. This yacht is offered subject to prior sale, price change, or withdrawal without notice.
