Powered by twin MerCruiser 8.2 MAG 380 HP engines with just 420 hours, the yacht features joystick docking for relaxed close-quarters handling, a generator and air conditioning, making it equally suited to elegant day outings or extended weekend escapes.

Maintained under a comprehensive professional management program, the vessel is in excellent, turn-key condition with diligent servicing and low hours, ready for refined Miami cruising, fast hops to the Keys, or confident passages to the Bahamas. The cockpit is arranged for sociable entertaining, with generous wraparound seating encouraging leisurely gatherings, and an electric retractable sunroof that opens the sport coupe to the sky at the touch of a button. A premium Fusion audio system sets the tone, an extended swim platform creates effortless access to the water, and underwater lights alongside LED courtesy lighting enhance the yacht's sophisticated ambiance after dusk.

Below deck the bright interior is inviting and practical, with a well-appointed galley equipped with refrigerator, cooktop and microwave for casual meals aboard. The forward master stateroom offers a private retreat while the salon converts into a comfortable guest berth, and the enclosed head with a separate shower delivers the kind of big-boat practicality that makes longer stays aboard a pleasure. Navigation and situational awareness are comprehensive thanks to a Raymarine touchscreen system integrated with

GPS, radar and depth sounder, ensuring confident passage-making throughout South Florida and beyond.

This is a standout opportunity to acquire a low-hour, professionally managed, turn-key 390 Express Coupe in Miami; the boat is ready to show, the seller is motivated and offers are encouraged, with financing, delivery and ongoing management programs available to streamline ownership and enhance your yachting lifestyle.
