OVERVIEW

With stunning views from the main cabin and impressive storage, the Island Pilot 395 is an extraordinary fast trawler. It boasts cruising speeds of 24 knots, using 29 gph thanks to its robust Volvo 350HP engines (totaling 700HP). Enjoy leisurely cruising at 8 knots with just 4 gph. "Summer" is a spotless, bright, and inviting cruiser with secure side decks and a well-planned cockpit, ensuring safe movement to the dock, swimming, or dinghy access. The Volvo outdrives offer a shallow draft of only 2'8", allowing for efficient long-distance travel and speed when needed.

If you're unfamiliar with Island Pilot, this yacht for sale deserves your consideration. For those considering options like Sabre and other "blue boat" power express brands, the IP 395 offers similar (and often superior) accommodations for cruising couples, with enhanced fuel efficiency and a much lower price. Explore yacht sales at the current boat location and seize the chance to purchase a yacht that perfectly blends luxury with performance.
