# OVERVIEW

Step aboard this breathtaking 2023 yacht, a contemporary work of naval artistry and engineering offered for sale in the sun-drenched waters of Greece. Measuring 40 feet in length with an 11 feet beam, the boat's deep Vee hull delivers a composed passage through the swell, carrying you at a comfortable cruising speed of 26 knots and allowing bursts up to a thrilling 40 knots. The hull and deck are fashioned from resilient fiberglass, their clean, flowing lines marrying visual elegance with enduring performance.

As you approach the current boat location, the yacht's sleek profile and meticulous fiberglass construction reveal themselves, promising both aesthetic grace and seaworthy confidence. The expansive fiberglass deck invites relaxation and refined entertaining, an ideal stage for leisurely sunlit afternoons or lively gatherings beneath the Aegean sky. Inside, the interior has been arranged with thoughtful efficiency to maximize comfort within the vessel's proportions; the layout includes one head, creating a cozy, private retreat after a day of exploration.

Propulsion comes from two Volvo Penta engines, twin sources of dependable power that make both tranquil cruising and spirited runs across blue horizons a pleasure. The yacht supports extended excursions with a fuel capacity of 224.55 gallons and a water capacity of 35.66 gallons, equipping you to venture among the Greek islands and beyond with confidence. Whether your aim is a weekend escape or an immersive cruising itinerary, this yacht is designed to be a gateway to unforgettable maritime experiences.

Do not miss the chance to claim this exquisite vessel that harmonizes luxury, performance, and timeless style. With yacht sales in the current boat location booming, this is an opportune moment to turn your aspiration of ownership into reality. Embrace the call of the open sea and elevate your lifestyle aboard this exceptional yacht. Your adventure awaits.
