OVERVIEW

FACTORY DEMO Nerea Yacht distills decades of expertise in crafting and outfitting some of the world's most admired vessels for international marques, and each build bears the hallmark of exceptional finish and engineering born from painstaking attention at every stage. The NY40 Veloce captures poise, power and the liberating spirit of the open water as an outboard driven luxury motor yacht and express dayboat designed for owners who demand performance, precise handling and intuitive control. Powered by triple Mercury 400 outboards, the NY40 approaches 50 knots at top end while settling into a composed 35 knot cruise. This example is the shipyard's official demo, equally at ease as a refined sport cruiser or an elegant superyacht tender, available for delivery worldwide and presently lying in Porto Cervo, Italy.
