OVERVIEW

The 2014 VanDutch 40 is an iconic day cruiser that fuses striking contemporary design with impressive pace, refinement and comfort. Celebrated internationally for its clean profiles and restrained, minimalist elegance, this VanDutch delivers an upscale yachting environment perfectly suited to stylish day outings, sociable gatherings and effortless island hops.

Built on a composite hull and measuring 40 feet (12.2m), she provides generous deck space and a layout that encourages conviviality. The cockpit features an expansive alfresco dining area with abundant seating for guests, while the wide aft sunpad offers an inviting spot to relax and soak up the sun. Broad side decks and a deep cockpit enhance both safety and comfort when underway.

Below deck the accommodation is intelligently arranged, with a salon that converts into a comfortable berth and an enclosed head complete with shower, making the boat eminently practical for weekend escapes or longer days at sea.

Propelled by twin Cummins QSB 6.7 diesels producing 480hp each, the VanDutch 40 combines robust, dependable power with effortless cruising manners. Her slippery hull form ensures nimble handling and an exhilarating ride, all while maintaining the refined aesthetic that has established VanDutch as a favourite in premier yachting destinations around the world.
