DETAILED DESCRIPTION

Additional Equipment

This magnificent yacht features a dazzling white hull paired with a sleek black canvas, creating an eye-catching presence on the water. The flooring is tastefully finished in grey, adding a contemporary and refined touch.

Propelling this vessel are three 300HP JPO white Verado Mercury outboard engines, with serial numbers 2B744197, 2B745806, and 2B773937 for the middle, port, and starboard engines, respectively. The cockpit is dressed in a dune hue, providing a cozy and welcoming environment.

For sun enthusiasts, the yacht includes an extended sunshade and a sunshade for the bow seating area, ensuring comfort and protection from the elements. The top-tier stereo system, integrating both cabin and cockpit audio, offers an outstanding auditory experience. Further enhancing the atmosphere is the blue LED lighting package, along with blue-thru hull underwater lights that cast a captivating glow in the water.

Practical elements include fender clips for hassle-free docking, a cockpit cover with a tonneau cover for protection, and SeaDek on the swim platform for added safety and comfort. The OEM battery installation guarantees dependable power management, while the macerator with a seacock interlock system ensures efficient waste handling.

For convenience, the yacht is outfitted with dual refrigerators, ideal for keeping beverages chilled during your journey. A teak bow table and a bow filler cushion provide extra comfort and flexibility for entertaining guests. The flag pole and base, complete with a U.S. flag, add a touch of patriotism and sophistication.

Anchoring is simplified with the windlass, featuring an all-chain system and a galvanized anchor. Navigation is improved with radar, and entertainment is

offered by a flat-screen TV with a DVD player in the V-berth. Communication is supported by a VHF radio with an antenna, ensuring you remain connected at sea.

Stability is crucial, and this yacht is equipped with a gyroscopic stabilizer for a smooth and comfortable voyage. Finally, the vessel view mobile feature replaces the Nautic On system, providing advanced monitoring and control capabilities. This yacht is a perfect fusion of luxury, performance, and state-of-the-art technology, crafted to deliver an unmatched yachting experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
