OVERVIEW

Offered at $499,900 and located in Ft. Lauderdale, this pristine, lift-kept 2021 Sea Ray 400 SLX Outboard Elite Plus Edition represents a rare opportunity to acquire a luxurious bowrider that also delivers genuine weekender capability. Power is provided by triple Mercury 300 HP Verado outboards paired with Joystick Piloting, yielding confident acceleration, whisper-quiet operation and exceptional maneuverability, while the mirror-finish black hullsides—never bottom-painted—display a showroom gloss and depth that accentuate the yacht's modern, sculpted lines.

Designed as a leader in the sport yacht and express cruiser segment, the 400 SLX Outboard blends refined day-boat comfort with effortless overnighting. A factory-fitted gyroscopic stabilizer enhances onboard serenity both underway and at anchor, keeping motion composed and levels steady, and the Elite Plus Package furnishes a top-tier specification for owners who demand performance without sacrificing refinement. At the helm, joystick-assisted 360-degree docking and Skyhook station-keeping instill confidence in close quarters, while Sea Ray's Dynamic Running Surface continuously adjusts trim and wake profile for efficient cruising and crisp takeoffs. Integrated navigation and communication equipment includes a VHF radio with antenna, and a remote-controlled 5-inch spotlight improves visibility for twilight returns or night passages.

The exterior is curated for luxurious entertaining and comfort: a refined hardtop with an opening canvas balances open-air enjoyment with protection from the elements, and an extended sunshade spreads generous coverage over the aft cockpit. Rich teak underfoot graces the swim platform and walkthroughs, and a beautifully finished teak bow table converts the expansive forward lounge into an elegant alfresco dining salon. The onboard galley is best-in-class for outdoor entertaining, equipped with dual refrigerators and

twin electric grills, while practical conveniences—such as a built-in air compressor for inflatables and fenders, quick-release fender clips for streamlined docking, and a full cockpit cover with tonneau cover for complete protection at rest—underscore thoughtful ownership.

Below decks, the cabin is appointed for comfortable overnights, pairing tasteful finishes with functional systems to create a serene retreat after a day on the water. A V-berth TV with DVD player invites cozy movie nights, the macerator with seacock interlock system provides upgraded convenience and safety, and the OEM battery installation maintains factory-certified power management and reliability throughout the vessel. Entertainment and ambiance are elevated by an upgraded stereo that fills both cockpit and cabin with high-fidelity sound, Sirius satellite radio for endless programming, a customizable LED lighting package that sets mood across multiple zones, and thru-hull underwater lights that cast a dramatic glow around the yacht at anchor.

Stored off-site and available to view by appointment, this immaculate 400 SLX Outboard is offered turnkey and stands out as an exceptional example of an outboard-powered Sea Ray—combining performance, poise and polish for discerning buyers seeking an elite day yacht with true weekender capability.
