OVERVIEW

Located in Ibiza, Spain, this Vanquish V43 performance open yacht emerges from an extensive March 2023 refit in superb condition. The work included a full repaint and new bespoke upholstery throughout, complemented by upgraded onboard systems and thorough engine attention — a deep servicing in which pistons were overhauled and ancillary components were carefully cleaned. Interior improvements extend to new flooring and refreshed vinyl finishes, and a replacement anchor chain was fitted, together with a number of further enhancements that preserve and elevate her original specification. An emblematic luxury motor yacht — equally at home as a sport cruiser or dayboat — she embodies the poise, pace, and craftsmanship synonymous with Vanquish and is offered for sale, open to reasonable offers.

DETAILED DESCRIPTION

Features

Powered by twin 375 HP V8 Mercury engines, this sleek dayboat powers onto plane with confident authority and then settles into an effortless, efficient cruise, while a bow thruster and intuitive joystick control make close quarters maneuvers precise and stress free. Shade arrives on demand with the Bimini top, and the minimalist cockpit design, guided by clean, straight line styling, enhances flow, visibility, and contemporary appeal. Expansive sunbathing areas invite languid afternoons at anchor, and the spacious cabin provides a cool, refined retreat when privacy beckons. The atmosphere is elevated by a premium JL Audio system that wraps the deck in richly detailed sound. With its balanced performance, easy handling, and guest friendly layout, it is as well suited to charter service as it is to being a compelling private escape.
