## OVERVIEW

---

Indulge in the pinnacle of nautical refinement aboard this exquisite yacht, powered by Twin Cummins QSB 5.9 V-Drive engines that deliver remarkable performance and poise on the water. An Onan generator supplies reliable electrical power for extended cruising, while intuitive bow thruster assistance and joystick control make close-quarters handling and docking a simple, graceful affair.

A hydraulically operated swim platform and an elegant gangway provide effortless access to the sea and shore, blending practicality with style. Recent enhancements include new batteries and a fresh bottom paint application treated with Prospeed, preserving both appearance and efficiency, alongside a new A/C water pump to maintain comfort throughout your passages. An electric windlass streamlines anchor operations, and an advanced Raymarine suite—comprising GPS, auto-pilot, and radar systems—offers modern navigation confidence for serious voyaging and those looking to buy a yacht in the current boat location.

Entertainment is elevated by an upgraded JL Audio system, perfect for sunlit days and evening gatherings, and with engines and generator serviced in summer 2023 this vessel is prepared for immediate adventure. Explore yacht sales in the current boat location and seize the opportunity to own this magnificent vessel.
