DETAILED DESCRIPTION

Section name

This yacht represents the pinnacle of engineering and opulence, boasting a remarkable Quad Mercury 400 V10 Verado upgrade that delivers unmatched performance on the water. The dual-row seating configuration, featuring three helm seats side by side, combines comfort with practicality, further enhanced by the luxurious double diamond pleat upholstery. For those who love to entertain, the yacht includes dual 65 qt. pull-out coolers, conveniently situated in the second row seating area, along with a Kenyan electric grill equipped with an inverter and Corian surface, ideal for cooking meals while cruising. A fresh water sink adds to the ease of use, making this vessel a true sanctuary on the sea.

The dual-row hard top offers generous shade and protection, paired with a 50" Black Oak light bar that guarantees visibility in any weather. Anchoring is simplified with the Rebel EZ-5 windlass kit, complete with an anchor, chain, and a 600' Dynema rode. On sunny days, a forward shade provides extra comfort. The yacht also includes engine covers and a console/leaning post cover to maintain its immaculate condition.

The seating is adaptable with a removable transom bench seat, allowing for customization to suit your preferences. The custom black paint, featuring the open array and Optimus antenna, adds a layer of elegance and sophistication. Onboard conveniences include a Raritan electric marine head, ensuring comfort on longer journeys. With an extra 100 gallons of fuel capacity, this yacht is prepared for extended adventures. Finally, the new boat factory warranty offers peace of mind, ensuring this vessel is as dependable as it is luxurious.

Standard features

This yacht boasts an impressive selection of standard features that guarantee exceptional performance and comfort on the water. At the helm, the Mercury Marine JPO autopilot and joystick make navigation a breeze, while the Mercury Vessel View 703 provides detailed engine monitoring. The Reverso engine flush system simplifies upkeep, and the UFLEX paddle trim enhances maneuverability. MDI digital switching contributes to the yacht's cutting-edge technological appeal.

For cleaning and upkeep, the yacht is equipped with both freshwater and saltwater wash systems, ensuring it stays in pristine condition. Fishing enthusiasts will value the generous storage offered by two Frigid Rigid™ 784 qt. fish boxes and two 544 qt. fish boxes. The yacht features six Gemlux cleats with hawse pipes and two 10" Gemlux box pull-up cleats for secure docking. Anglers will also appreciate the 14 Gemlux transom rod holders, 12 Gemlux deck rod holders, and four Gemlux HD deck rod holders, which are essential for their fishing excursions.

Comfort and convenience are further enhanced by eight stainless steel cupholders on the deck and four electric reel plugs. Access to the water is simplified with a transom stainless steel pocket ladder and dual side dive doors with integrated ladders. The yacht's safety features include four 2000GPH bilge pumps and four ultra safety float switches, offering peace of mind.

For ambiance, the yacht is equipped with four Shadowcaster multi-color underwater lights, Shadowcaster LED RGB rope lights under the gunnels, and Shadowcaster RGB courtesy lights, creating a breathtaking visual effect. A powder-coated bow grab rail adds both elegance and safety. Practical storage solutions include lockable rod storage and under-gunnel equipment holders. Modern conveniences are not overlooked, with four dual USB charging ports

and a smart plug shorepower system ensuring all devices remain charged and ready for use.

Hardtop

The hardtop of this yacht is a testament to exceptional design and practicality, ideal for passionate fishermen and enthusiasts of cutting-edge marine technology. It boasts an impressive collection of 15 rocket launcher rod holders, offering plenty of room for all your fishing equipment. Outfitted with two E-Rigger electric VHF antenna mounts and two digital marine 8" antennas, the hardtop ensures uninterrupted communication and connectivity while on the water. For enhanced visibility and safety, the TACO Grand Slam masthead anchor light and LED Lumitech navigation lights are included, lighting your way in any conditions.

The AMG 3-sided tempered glass enclosure shields you from the elements while maintaining excellent visibility. Six LED spreader lights and six tri-color LED map lights offer flexible lighting options, enhancing both functionality and atmosphere. Additionally, the hardtop is fitted with Gemlux stainless steel outrigger mounts and Gemlux 22' carbon fiber outriggers, making it a dream for any angler. The powder-coated frame and rod rack not only contribute to the yacht's visual appeal but also guarantee durability and robustness, making this hardtop a remarkable feature of the vessel.

Leaning post and upholstery

The leaning post and upholstery of this yacht are crafted with a focus on both comfort and functionality, featuring a single-row helm seating layout that seats three side by side, providing a commanding view and easy access to the controls. The elevated leaning post serves as a comfortable spot for steering and includes generous storage, making it a practical component of the helm

area. For fishing enthusiasts, the yacht is outfitted with two side tackle centers and a rear tackle center, ensuring all your fishing equipment is easily accessible.

For refreshment and convenience, the yacht is equipped with two Yeti stainless flush cupholders and six additional stainless cupholders, keeping your drinks within easy reach. The coaming bolsters add an extra layer of comfort, offering cushioning along the yacht's edges. The Aquatractation marine decking enhances both the yacht's visual appeal and safety, providing a non-slip surface that is both robust and stylish. This blend of features makes the leaning post and upholstery a highlight of the yacht, seamlessly combining practicality with luxury.

Console

The console of this yacht masterfully combines cutting-edge technology with thoughtful design, ensuring both efficiency and elegance. At its core is a sleek black acrylic MFD panel, offering a refined interface for all your navigational requirements. Complementing this is the Ritchie SS-5000 compass, a dependable instrument for accurate navigation. The MDI custom switch panel enhances the console's intuitive layout, facilitating easy management of the yacht's various systems.

Comfort and utility are seamlessly merged with a forward lounge seat that also serves as a spacious 532 qt storage compartment, ideal for storing gear and essentials. For fishing aficionados, the console is outfitted with 18 Gemlux flush rod holders, providing ample room for securing rods. The Aquatractation marine decking not only boosts the console's visual appeal but also offers a robust, non-slip surface that ensures safety and comfort. This console exemplifies the yacht's dedication to merging luxury with functionality, making it an indispensable feature for any maritime journey.

Livewells

The livewells on this yacht are meticulously crafted to cater to the demands of dedicated anglers, offering generous space and sophisticated features to maintain bait and catch in prime condition. At the transom, you'll discover dual 55-gallon pressurized livewells, ensuring your bait stays active and fresh throughout your fishing journey. These are enhanced by a Hooker Sea Chest system, equipped with two 2500 GPH variable speed pumps, delivering efficient water flow and aeration.

Moreover, the yacht includes two 55-gallon deck livewells, providing additional capacity for your fishing endeavors. Each is supported by its own Hooker Sea Chest, also featuring dual 2500 GPH variable speed pumps, guaranteeing steady performance and dependability. The 2" stainless steel high-speed pickup further optimizes the system, enabling swift water intake and maintaining the perfect environment for your live bait. This comprehensive livewell configuration underscores the yacht's dedication to offering premium fishing facilities, making it an excellent choice for those who are passionate about their angling pursuits.

Electronics

The electronics suite on this yacht exemplifies state-of-the-art marine technology, crafted to elevate navigation, communication, and safety while at sea. At the core of this system are two Garmin 8624 MFDs, offering comprehensive and intuitive management of all navigational tasks. These are paired with two Garmin 19x GPS antennas, ensuring precise positioning and dependability. The Garmin GMR Fantom 126 6' open array radar provides outstanding range and clarity, essential for safe navigation in any conditions. For weather updates and entertainment, the Garmin GXM54 satellite weather and radio system keeps you informed and entertained, regardless of your

destination. The Airmar R 111LH 2KW in-hull transducer and Garmin GSD 26 CHIRP Pro sonar module offer unmatched depth and fish-finding capabilities, making this yacht a dream for anglers. Additionally, the Garmin GTE MP-TH temperature sensor delivers precise water temperature readings, further enhancing your fishing experience.

Communication is seamless with two Garmin VHF 215 radios, ensuring you remain connected at all times. Powering this advanced suite of electronics are two Odyssey Performance Series 4-D AGMP4D-1300 batteries and four Odyssey AGM31 engine batteries, providing dependable and long-lasting power. The Mastervolt Charge Master Plus 12/100-3 100 Amp charger and 4-bank Noco 30 AMP charger ensure all systems stay fully charged and operational.

For added security, the Siren Marine MTC security and monitoring system provides comprehensive oversight of the yacht's status, alerting you to any potential issues. This electronics package is designed to deliver the pinnacle of performance, safety, and convenience, ensuring your time on the water is both enjoyable and secure.

Entertainment system

The entertainment system aboard this yacht is crafted to provide an unmatched auditory experience, ensuring that every moment on board is filled with premium sound quality. The system boasts an impressive lineup of JL Audio components, featuring ten 6" speakers and four 8" speakers, strategically positioned to deliver immersive audio throughout the yacht. Enhancing this setup are four 10" JL Audio subwoofers, which produce deep, resonant bass that elevates the overall listening experience.

All speakers and subwoofers are elegantly mounted in recessed rings, giving the yacht's interior a sleek and cohesive appearance. At the core of the system lies the JL Audio MM105 Media Master, a sophisticated control unit that

facilitates effortless management of all audio functions. To guarantee powerful and crystal-clear sound, the system is equipped with two JL Audio MV1000/5i sub amplifiers and a JL Audio MV800/8i sub amplifier, ensuring the speakers and subwoofers perform at their peak.

This entertainment system exemplifies the yacht's dedication to luxury and excellence, offering an audio experience as remarkable as the vessel itself. Whether you're hosting a lively gathering or savoring a tranquil evening on the water, this system ensures your soundtrack is always flawless.

Exclusions

When contemplating the acquisition of this yacht, it is essential to be aware of certain exclusions that are not part of the sale. Personal tackle, which includes any fishing gear or equipment that the current owner might have utilized, is not included in the transaction. Furthermore, the life raft, an indispensable safety component for any vessel at sea, is not provided and must be purchased separately by the new owner. Likewise, the EPIRB (Emergency Position Indicating Radio Beacon), a critical device for ensuring safety and swift location in emergencies, is also not part of the sale. Prospective buyers should plan accordingly to outfit the yacht with these crucial items to guarantee a fully equipped and secure maritime experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
