OVERVIEW

2023 Jeanneau Leader 12.5 WA

This exquisite 40-foot vessel is crafted for adaptability, boasting a flexible deck layout and a lower deck that provides clever and comfortable accommodations for overnight journeys.

The outstanding design is the product of an extraordinary collaboration between Sarrazin Design, the performance specialists at Michael Peters Design, and the experienced design team at Jeanneau.

For those seeking a yacht that combines opulence with practicality, this vessel is an ideal choice. With its current location, it shines in the yacht market, making it a superb option for those exploring yacht purchases in the current area. Seize the chance to own this magnificent yacht, perfect for both relaxing day trips and extended voyages on the open sea.

DETAILED DESCRIPTION

Standard Key Features

This yacht exemplifies the pinnacle of contemporary design and utility, featuring a multitude of elements that enhance both comfort and performance. At the helm, a spacious dashboard is crafted to fit T-Garmin screens of 12 or 16 inches, ensuring navigation is both user-friendly and accurate. The 3-seat leaning post, complete with an armrest, offers a cozy and supportive area for the captain and crew on extended journeys.

The front salon is a flexible area that can be converted into a snug cabin, complete with a separation curtain and generous storage. This versatility is echoed in the L-shaped cockpit, which includes a foldable backrest sunpad, ideal for sunbathing or enjoying tranquil moments at sea. Your adventures are powered by a sturdy Generator Panda Diesel 6.4kva, coupled with an 8-gallon tank, providing the energy required for long voyages.

Comfort is a top priority, with air conditioning available at 110V, offering both 12k and 8k BTU options to maintain the perfect interior climate. The exterior galley comes with a fridge, making it simple to serve guests chilled drinks. Inside, the yacht features a spacious front saloon and a separate aft cabin, offering ample room for relaxation and privacy. The fully equipped interior galley makes meal preparation effortless, while the roomy head with a separate shower provides home-like comfort.

The master cabin is a retreat, featuring a distinct area with an additional bed for extra convenience. Sun enthusiasts will appreciate the front cockpit, which offers three sun lounge seats, perfect for basking in the sun. Boarding is simplified with a lateral boarding gate on the starboard side, while the portside boasts a lateral electric terrace, enhancing the yacht's adaptability.

Lastly, the yacht includes an XXL multi-purpose storage/ice box, offering

abundant space for all your essentials and more. This yacht is more than just a vessel; it's a floating sanctuary crafted to satisfy the desires of the most discerning mariners.

Optional features

This yacht boasts an exceptional selection of optional features that significantly enhance the onboard experience. The North American Package customizes the vessel to suit the unique demands of this market, while the Electronics Package Upgrade boosts its technological prowess, offering cutting-edge navigation and communication systems. Music lovers will be thrilled with the Premium Fusion Audio Pack, which provides an unmatched auditory experience, turning every journey into a symphonic adventure.

Mooring and anchoring are simplified with a comprehensive mooring kit and anchoring kit, ensuring the yacht remains stable and secure in any port. The stainless steel bow protection not only adds durability but also enhances the yacht's sleek exterior. Comfort and convenience are further elevated with the DS sliding electric Sureshade and DS sunshade for the front cockpit, offering ample protection from the sun and elements.

For water sports enthusiasts, the removable swim ladder for the lateral terrace and the paddle board storage rack on the roof provide easy access and storage solutions. Dining and socializing are a delight with fiberglass tables in both the aft and front cockpits, creating sophisticated and practical spaces for meals and gatherings.

Anglers will value the saltwater-baitwell with a circulation pump, while the bow thruster and gyroscopic stabilizer SeaKeeper SK3 ensure smooth and steady sailing. The dock water inlet and underwater lights enhance the yacht's functionality and ambiance, creating an inviting atmosphere day and night.

The cockpit is a lively center of activity, equipped with a grill and ice maker for

effortless outdoor cooking and drinks. Inside, a microwave oven expands culinary possibilities. The automatic trim tabs by Zipwake guarantee optimal performance and handling, while the TV antenna and pre-wiring for a TV in the cockpit offer entertainment for everyone on board. The VHF system ensures seamless communication, keeping you connected no matter where your voyage leads.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
