## OVERVIEW

---

The 2024 Jeanneau Leader 12.5 WA is a stunning and versatile walkaround yacht, ideal for both exhilarating escapades and relaxing cruises. Available for purchase at its current location, this yacht stretches 40 feet 3 inches in length and boasts a beam of 11 feet 9 inches, offering ample room for up to 12 passengers. It is driven by triple Mercury 300XXL Verado JPO outboard engines, delivering powerful performance. The deep-V hull design ensures excellent handling and comfort across various sea conditions.

On the deck, you'll discover a spacious cockpit with wraparound seating, an entertainment center complete with an electric grill, sink, refrigerator, and ice maker, as well as an electric drop-down terrace on the port side for easy access to the water. Below deck, the yacht features a fully equipped galley, a salon that transforms into a king-sized bed, and a master cabin amidships with a double berth that can be extended to a king-sized bed. The enclosed head is tastefully designed with a basin sink and a separate shower.

This yacht purchase is ideal for those seeking a vessel that combines high performance with luxurious features. Explore yacht sales at the current location and experience the unparalleled sophistication and practicality of the Leader 12.5 WA.

# DETAILED DESCRIPTION

---

## Standard Key Features

---

This magnificent yacht features an immaculate white hull, beautifully accentuated by the Marlin Pure White upholstery in the salon. The helm station is outfitted with a spacious dashboard that can house T-Garmin screens in 12" or 16" sizes, providing all the navigational aids you need at your fingertips. Comfort is a priority with a three-seat leaning post that includes armrests, offering a secure and comfortable seating arrangement.

The front salon cleverly converts into a cabin, complete with a separation curtain and storage, providing both versatility and privacy. The L-shaped cockpit is crafted for relaxation, featuring a foldable backrest sunpad perfect for sunbathing. For those who love long journeys, the yacht is fitted with a Generator Panda Diesel 6.4kva and an 8-gallon tank, ensuring a steady power supply. The air conditioning system, running on 110V, provides both 12k and 8k BTU, keeping the onboard climate pleasant.

Gourmet lovers will enjoy the exterior galley fridge, while the interior galley is fully equipped to meet all culinary needs. The yacht includes a spacious head with a separate shower, ensuring both convenience and privacy. The master cabin is a haven of comfort, featuring an additional bed for extra guests. The expansive front saloon and separate aft cabin offer plenty of space for relaxation and entertainment.

The front cockpit is designed for ultimate leisure, with three sun lounge seats. Boarding is simplified with a lateral boarding gate on the starboard side, while the port side features a lateral electric terrace, enhancing your connection to the sea. Storage is abundant with the XXL multi-purpose storage/ice box, keeping all your essentials close at hand. This yacht is a marvel of design and functionality, providing an unmatched experience on the water.

## Optional features

---

This yacht comes with a remarkable selection of optional features that enhance its luxury and practicality. The North American Package customizes the vessel to suit the unique demands of this market, while the Electronics Package Upgrade brings state-of-the-art technology to your onboard experience. For music lovers, the Premium Fusion Audio Pack offers an exceptional audio experience, making every moment on the water more delightful.

Mooring and anchoring are simplified with the included kits, and the stainless steel bow protection adds both durability and elegance. The DS Sliding Electric Sureshade and DS Sunshade for the front cockpit provide ample shade, ensuring comfort on sunny days. A detachable swim ladder for the lateral terrace allows for easy water access, and the storage rack for paddle boards on the roof optimizes space and convenience.

Dining and entertaining are a joy with fiberglass tables available for both the aft and front cockpits. Fishing enthusiasts will appreciate the saltwater-baitwell with a circulation pump. Maneuverability is improved with the bow thruster, and the Gyroscopic Stabilizer SeaKeeper SK3 ensures a smooth journey even in rough waters.

The yacht features a dock water inlet for easy water access, and underwater lights create a mesmerizing atmosphere during nighttime outings. The cockpit grill and ice maker expand culinary options, while the microwave oven offers quick meal solutions. Automatic trim tabs by Zipwake ensure peak performance, and a TV antenna along with pre-fitting for a TV in the cockpit keeps you connected and entertained. Communication is effortless with the VHF system, completing this outstanding package of optional features.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
