## OVERVIEW

---

The 2024 Jeanneau DB 37 OB is a stunning day cruiser that seamlessly blends high performance with luxury and versatility. Designed by the esteemed Michael Peters and Camillo Garroni, this 40-foot marvel boasts a sleek design inspired by Nordic aesthetics. Powered by twin Yamaha XF450NSA2 4-Stroke outboard engines, it offers exhilarating speed and nimble handling. This yacht for sale is equipped with state-of-the-art features, including dual electric side terraces that expand the cockpit, an outdoor kitchen with a grill, cooktop, sink, and refrigerator, and a spacious bow lounge with a sunpad. Below deck, the interior is tastefully appointed with two opulent cabins—a forward master suite with a centerline island bed and an aft double cabin with twin berths—alongside a fully enclosed head with a separate shower. Explore yacht sales at the current boat location and seize the chance to purchase a yacht that embodies both luxury and high performance.

## Standard Key Features

---

This magnificent yacht features a breathtaking exterior in a timeless white hue, beautifully accented by the cockpit's plush Ice Silvertex Blue upholstery. Crafted for both elegance and practicality, it includes two electric swim terraces that fold down on both the port and starboard sides, offering effortless access to the water. The anchoring system is equipped with a durable stainless steel anchor, and the helm station boasts a windlass control with a chain counter for precise anchoring.

For enhanced safety and ease, the yacht is outfitted with stainless steel bow protection and a detachable swim ladder for the side terrace. Sunbathing is a delight with the front sunpad cushions, ideal for enjoying the sun. The bow thruster improves maneuverability, allowing for smooth handling in confined areas.

Maintenance is simplified with an electric deck washing pump, and a 110V shore power connection provides dependable dockside electricity. The 6.4kva diesel Fischer Panda generator supplies ample power while at sea. An 8,000 BTU air conditioning system cools the front cabin, head, aft cabin, and helm, ensuring comfort in any climate.

The ambiance pack enhances the onboard atmosphere, while the Fusion audio system delivers superior sound quality for entertainment. The ventilation pack ensures a continuous flow of fresh air throughout the yacht, boosting comfort for everyone on board. This yacht seamlessly combines luxury, performance, and functionality, making it the perfect choice for the discerning sailor.

## Optional features

---

This yacht is equipped with a variety of optional features crafted to elevate your cruising experience. The interior boasts a refined layout with two cabins and one head, complemented by a breakfast nook, all beautifully finished in white oak to create a cozy and welcoming ambiance. The comfort pack ensures each voyage is as soothing as possible, while the upgraded electronics pack provides cutting-edge technology for effortless navigation and communication. For those who relish outdoor leisure, the aft electric sun awning offers instant shade, and the sunshade for the front cockpit guarantees comfort even on the brightest days. The yacht features a chic wooden table and an aft sundeck, ideal for dining under the open sky or simply relaxing. The removable cockpit carpet, made from Infinity material, adds a luxurious touch and is easy to care for.

The Gyro Stabilizer SK3 enhances stability at sea, ensuring a smooth journey even in rough waters. A deck searchlight is included for increased safety and ease during nighttime voyages. The onboard refrigerator keeps your drinks chilled and ready, while the Zipwake auto trim tabs enhance the yacht's performance and fuel efficiency. Reliable communication is ensured with the VHF RayMarine RAY90, keeping you connected no matter where your adventures lead. These optional features come together to create a yacht that is as practical as it is luxurious, meeting the expectations of the most discerning sailors.
