DETAILED DESCRIPTION

Standard Key Features

This magnificent yacht features an immaculate white exterior, beautifully accented by the cockpit's elegant Ice Silver Blue upholstery. Crafted for both luxury and ease, it includes two electric fold-down swim terraces on the port and starboard sides, offering seamless access to the water. The anchoring system is equipped with a durable stainless steel anchor, and the windlass control with a chain counter is conveniently positioned at the helm for smooth operation.

To enhance both protection and aesthetics, the yacht is fitted with stainless steel bow protection. A detachable swim ladder adds to the lateral terrace's functionality, while the front sunpad cushions provide a plush area to unwind and enjoy the sun. Navigation is simplified with a bow thruster, and the electric deck washing pump keeps the yacht in pristine condition.

The yacht is fitted with a 110V shore power connection, and the onboard 6.4kva Diesel Fischer Panda generator ensures a steady power supply. Comfort is a priority, with an air conditioning system delivering 8,000 BTU to the front cabin and head, as well as the aft cabin and helm. The ambiance pack enriches the yacht's atmosphere, and the Fusion audio system offers superior sound quality for entertainment. Furthermore, the ventilation pack guarantees optimal airflow throughout the yacht, ensuring every voyage is a delight.

Optional features

This opulent yacht is equipped with a variety of optional features crafted to elevate your cruising experience. The interior design boasts two cabins, a head, and a breakfast nook, all beautifully finished in white oak, creating a cozy

and welcoming ambiance. The comfort pack ensures each voyage is as soothing as possible, while the upgraded electronics pack provides cutting-edge technology for effortless navigation and communication.

For those who relish outdoor leisure, the aft electric sun awning offers both shade and comfort, complemented by a sunshade for the front cockpit. The wooden table and aft sundeck offer an ideal space for dining under the open sky or simply relaxing. The removable cockpit carpet, made from Infinity material, adds a layer of luxury and functionality.

The Gyro Stabilizer SK3 enhances stability and performance, ensuring smooth sailing even in rough waters. A deck searchlight is included for increased safety and convenience during nighttime journeys. The onboard refrigerator keeps your drinks chilled and within reach, while the Zipwake auto trim tabs enhance the yacht's performance and fuel efficiency. Communication is simplified with the VHF RayMarine RAY90, ensuring you remain connected no matter where your adventures lead.
