Discover the Pinnacle of Day Boating with the Jeanneau DB Series

For enthusiasts of the Jeanneau DB (Dayboat) lineup, we are thrilled to present the DB37. This exquisite craft captures the essence of its larger sibling, the DB43, yet offers a more compact and agile form.

The 37-foot DB37 exudes spaciousness, and while it is classified as a Day Boat, it is fully outfitted for longer multi-day journeys. The signature Jeanneau driving experience is evident, promising an exhilarating voyage.

At the helm, you'll encounter two chart plotters, dual air conditioning vents for those hot days, three luxurious seats, a foot brace, and a comprehensive suite of equipment that elevates the experience aboard this extraordinary Jeanneau.

With twin outboard engines providing 2x400 HP, the Jeanneau DB37 delivers thrilling top speeds, making it an outstanding option for a luxury day boat that is also ready for overnight stays.

Inside, the atmosphere is unmistakably Jeanneau, with generous in-set lighting complemented by ample natural light from portholes that open to invite refreshing breezes. The spacious master cabin is illuminated by large side windows and offers plentiful storage on both sides.

Midship, the VIP Cabin serves as a master suite, featuring wide bedding and excellent storage solutions. The exterior and helm are packed with features, but a highlight is the dual drop-down side decks, which greatly expand the outdoor lounging area.

With an overall length (LOA) of 38 feet and a beam of 11 feet 8 inches, this adaptable day boat offers plenty of space for family outings or weekend escapes. Explore yacht sales in the current boat location and seize the chance to acquire a yacht that epitomizes elegance and performance.

## Standard key features

---

This yacht represents the pinnacle of contemporary design and opulence, crafted to deliver an unmatched experience on the water. It features dual electric swim terraces that fold down on both the port and starboard sides, granting effortless access to the sea and elevating your relaxation time. The anchoring system is equipped with a stainless steel anchor, guaranteeing strength and dependability. At the helm, you'll discover a windlass control with a chain counter, enabling precise anchoring maneuvers.

The yacht is fortified with stainless steel bow protection, preserving the vessel's condition. For added ease, a detachable swim ladder is available for the side terrace, facilitating enjoyable swims. Comfort is a top priority, with front sunpad cushions providing an ideal spot to unwind and bask in the sun. The bow thruster enhances maneuverability, ensuring seamless navigation in confined areas.

An electric pump for deck washing is included, simplifying upkeep, while the 110V shore power connection ensures ample power supply when docked. The yacht is powered by a 6.4kva diesel Fischer Panda generator, delivering dependable energy for all onboard systems. Climate control is expertly handled by an 8k BTU air conditioning unit, servicing the front cabin, head, aft cabin, and helm, ensuring comfort in any weather.

Performance is fine-tuned with Lenco electric trim tabs, promoting smooth and efficient cruising. The ambiance pack enriches the onboard atmosphere, creating a warm and luxurious setting. Entertainment is provided by a Fusion audio system, offering premium sound quality throughout the yacht. Lastly, the ventilation pack ensures a continuous flow of fresh air, maintaining a pleasant environment at all times. This yacht is a true embodiment of luxury

and practicality, providing everything necessary for an extraordinary maritime journey.

## Optional features

---

This yacht presents an array of optional features that enhance the onboard experience, elevating comfort and sophistication to new levels. The interior design features two cabins and a single head, complemented by a breakfast nook crafted from elegant white oak, creating a cozy and welcoming ambiance. The comfort package ensures each voyage is as soothing as possible, while the upgraded electronics package delivers cutting-edge technology for both navigation and entertainment.

An electric sun awning at the aft provides shade and protection from the elements, allowing you to enjoy the outdoors comfortably. The wooden table and aft sundeck offer an ideal setting for dining under the open sky or simply relaxing. For sunbathers, a filler cushion for the front sunpad is included, enhancing the lounging area. The removable cockpit carpet by Infinity adds a luxurious touch and is easy to care for.

Sea stability is guaranteed with the Gyro Stabilizer SK3, which reduces motion and boosts comfort. The breakfast nook is equipped with a fridge, ensuring refreshments are always within reach. The Mona Lison bedding set adds a touch of elegance to the sleeping areas. Inside, a removable carpet set provides both style and functionality.

Performance is further refined with Zipwake auto trim tabs, optimizing the yacht's balance and efficiency. The yacht also features two fictitious satellite antennas, contributing to its sleek appearance. For navigation, the RayMarine radar open array and RayMarine VHF Ray90 ensure you are fully prepared for any voyage. These optional features come together to create a yacht that is not only luxurious but also highly functional, providing everything necessary for an extraordinary experience on the water.
