DETAILED DESCRIPTION

Standard Key Features

This yacht exemplifies the pinnacle of design and utility, delivering an opulent experience on the water. Its exterior features a flawless white hull, paired with Marlin Pure White upholstery in the salon, crafting an atmosphere of elegance and warmth. The expansive dashboard is tailored to fit T-Garmin screens, available in 12" or 16" sizes, ensuring navigation is both straightforward and effective.

Prioritizing comfort, the yacht includes a 3-seat leaning post with armrests and a front salon that converts into a cabin, complete with a storage-equipped separation curtain. The L-shaped cockpit is adaptable, featuring a foldable backrest sunpad for leisure. For those who relish longer voyages, the yacht is equipped with a Generator Panda Diesel 6.4kva and an 8-gallon tank, alongside air conditioning at 110V, providing 12k and 8k BTU options.

Culinary conveniences are addressed with an exterior galley fridge and a fully outfitted interior galley, making meal preparation effortless. The yacht's design includes a spacious front saloon and a separate aft cabin, offering plenty of room for both socializing and privacy. The generous head includes a separate shower, and the master cabin is crafted for comfort with an additional bed.

Outdoor pleasure is amplified with a front cockpit featuring three sun lounge seats, a lateral boarding gate on the starboard side, and a lateral electric terrace on the port side. Storage is abundant, courtesy of the XXL multi-purpose storage/ice box, making this yacht not only a symbol of luxury but also a practical option for any maritime journey.

Optional features

This yacht boasts an exceptional selection of optional features that significantly enhance the onboard experience. The North American Package customizes the vessel to cater to the unique demands of this market, while the Electronics Package Upgrade boosts its technological prowess, offering cutting-edge navigation and communication systems. Audiophiles will appreciate the Premium Fusion Audio Pack, which provides an unmatched auditory experience, enriching every moment spent on the water.

Mooring and anchoring are simplified with a comprehensive mooring kit and anchoring kit, and the stainless steel bow protection adds both durability and elegance. The DS Sliding Electric Sureshade and DS Sunshade for the front cockpit offer flexible sun protection options, ensuring comfort regardless of the weather. For water sports enthusiasts, the removable swim ladder for the lateral terrace and the paddle board storage rack on the roof offer practical access and storage solutions.

Dining and socializing are elevated with fiberglass tables in both the aft and front cockpits, creating ideal spaces for meals and gatherings. The saltwater-baitwell with a circulation pump is a valuable feature for fishing lovers, while the bow thruster and gyroscopic stabilizer SeaKeeper SK3 guarantee smooth and steady sailing. The dock water inlet and underwater lights enhance the yacht's convenience and ambiance.

The cockpit is a center of activity, equipped with a grill and an ice maker for culinary pleasures, as well as a microwave oven for quick meal preparation. Automatic trim tabs by Zipwake ensure peak performance, while the TV antenna and pre-wiring for a TV in the cockpit offer entertainment options. The VHF system ensures seamless communication, making this yacht a perfect fusion of luxury, practicality, and advanced technology.
