DETAILED DESCRIPTION

Section name

The 400 Sundancer is crafted for those who cherish the elegance of entertaining on the water. Its open layout exemplifies meticulous design, forming expansive and connected social areas that encourage interaction and pleasure throughout the vessel. The expansive windows and practical sunroof are key elements of Sea Ray's SkyFlow Design™ philosophy, allowing plenty of natural light to illuminate the interior, enhancing the feeling of spaciousness and freedom. The incorporation of luxurious materials and finishes not only boosts the visual allure but also guarantees exceptional comfort for everyone on board. The yacht boasts two full-beam staterooms, offering generous space for you and your guests to unwind and enjoy, making it effortless to fully embrace the joys of life on the water.

Features

The 400 Sundancer stands as a testament to contemporary yacht craftsmanship, blending performance with opulence. It offers a choice between sterndrive and V-drive propulsion, with both gas and diesel engine options, providing flexibility and power tailored to your needs. The yacht's design effortlessly shifts from lively daytime gatherings to cozy evening settings, making it ideal for any event.

Outfitted with a Raymarine® e125 widescreen chartplotter and radar, navigation is both user-friendly and accurate. The onboard stereo, complete with Wireless Bluetooth™ and media inputs, keeps your favorite music within easy reach. Enjoy superior sun protection with a foredeck shade and the cockpit's SureShade®, allowing you to bask in the sun or retreat to the shade

as you wish.

The master stateroom is a haven of comfort, featuring a spacious closet system. Alternatively, you can choose a second fully equipped head and shower, offering versatile accommodation options. The cabin is fitted with essential amenities like a Carbon Monoxide Monitor, direct and indirect lighting, and LED accents, creating a secure and welcoming atmosphere. The Allante fabric seating, accent pillows, and chestnut wood cabinetry add a touch of sophistication to the interior.

For outdoor enthusiasts, the yacht includes a canvas bow sunpad cover and cockpit seat covers, available in blue, black, or taupe. It adheres to all relevant USCG and ABYC standards, is CE Category B certified, and holds NMMA Certification, ensuring it meets the highest safety and quality benchmarks.

The cockpit is crafted for ease and comfort, featuring beverage holders, carry-on coolers with dedicated storage, and lockable cabin entry doors. The self-bailing fiberglass floor liner and stainless steel handrails ensure safety and support. An electrically operated engine room hatch with an emergency support arm provides easy access and maintenance.

The yacht's electrical systems are robust, featuring a 120V/40 Amp/12V battery charger/converter, battery solenoid switches, and waterproof breaker panels. The electronics package includes a Raymarine® e125 widescreen color LCD with GPS/chartplotter and integrated radar, along with a VHF radio and an 8' fiberglass antenna.

In the engine room, automatic bilge pumps and blowers, a fire suppression system, and gel-coated surfaces ensure safety and efficiency. The fuel system includes USCG Type A-1 fuel lines and aluminum tanks with electric shutoff valves. A 10.0 kW generator with SmartCraft interfacing provides dependable power, while the helm is equipped with SmartCraft Digital Throttle & Shift, joystick control, and a comprehensive SmartCraft VesselView display.

The hull and deck are meticulously crafted, featuring stainless steel fittings, a

translucent deck vent hatch, and a bonded-in tempered glass windshield. The mooring system includes a stainless steel anchor chute and a windlass with foot switches. Propulsion is delivered by T-MerCruiser® 8.2 MAG HO ECT Bravo IIIx engines with Axius, offering remarkable power and control.

The sunroom is a sanctuary of relaxation, with honeycomb blinds, a privacy curtain, and wood flooring. An electric sunroof, LED TV with a Blu-ray™ player, and ample storage complete the luxurious experience. Underwater gear includes stainless steel propellers and hydraulic trim tabs, with optional V-drive inboards providing additional features like a bonding system with a zinc hull plate.

The waste and water systems are designed for convenience, featuring a VacuFlush® head system, holding tank level indicators, and a freshwater washdown spigot. A high-capacity 12V pressure water system and an 11-gallon water heater ensure comfort and functionality on every journey.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
