## DETAILED DESCRIPTION

---

### Exclusive V40 Open Package

---

The Exclusive V40 Open Package presents an unmatched fusion of opulence and practicality, making it an exceptional option for sophisticated yacht aficionados. Central to this magnificent vessel is the master suite, which includes a luxurious queen bed and a private ensuite, ensuring both comfort and seclusion. The suite is outfitted with a Fusion sound system and air conditioning, creating an ideal haven after a day at sea.

The yacht's interior is beautifully adorned with rich mahogany, radiating elegance and warmth. It is equipped with a dependable generator, along with air conditioning and heating systems to maintain an ideal onboard climate. The presence of an inverter and battery charger guarantees that all power requirements are effortlessly met.

For technology enthusiasts, the yacht features advanced electronics and a cutting-edge Fusion MS-RA770 touch screen sound system. This is enhanced by a Rockford Fosgate pm 1000X5 amplifier, Rockford Fosgate M2-65 marine speakers, and a Rockford Fosgate M2D4-10 I Marine subwoofer, offering an extraordinary audio experience.

The yacht's visual allure is further elevated by upgraded Sunbrella upholstery and a teak deck, ensuring both style and resilience. Stainless steel handrails contribute a touch of sophistication and safety, while a cockpit glass sunscreen provides comfort on sunny days.

Gourmet lovers will value the lower deck kitchen, designed with convenience and efficiency in mind. A wine cooler is also included, ideal for preserving your cherished vintages.

In conclusion, the Exclusive V40 Open Package is a superb combination of luxury, innovation, and elegance, delivering an outstanding yachting

experience that fulfills every need and aspiration.

## Standard Equipment List

---

The yacht's standard equipment list highlights its exceptional engineering and meticulous design, ensuring both high performance and comfort on the water. Leading the features is the Quick Prince DP3 Anchor Windlass, a robust 12V 1500W system paired with an Ultra Brand Anchor and 150 feet of 8mm galvanized chain, offering dependable anchoring. Enhanced maneuverability is provided by the Max Power Ct 60 Bow Thruster, powered by Master Volt batteries dedicated to both the bow thruster and anchor windlass.

The power system is robust, featuring service batteries with two Exide EP 1500 12V 200 Ah Dual Gel units and machine batteries with two Exide EP 1500 12V 160 Ah Dual AGM units. The yacht includes a 12V electric silent type WC by TECMA, ensuring quiet and efficient use. Water management is expertly handled by a shower drain auto pump, two 1100 GPH 12V automatic/manual bilge pumps, and a 1500 GPH 12V automatic/manual bilge pump. Freshwater is supplied by a Wale UF1215 12V pump, while grey and black water are managed by a Wale Gulper 320 12V pump.

Monitoring systems feature sensors and indicators for freshwater, fuel, and waste water levels, keeping you informed of your resources. The Sigmar Boiler Compact 30L water heater provides hot water, powered by a 1200W 120V 60Hz system. Battery management is streamlined with a series of main switches, operable manually or remotely, and an automatic voltage combiner ensures efficient power distribution.

The yacht's electrical system is extensive, with a 12V DC-120V AC main fuse distribution panel with polarity display, a 30amp shore power inlet with ELCI protection, and a 50ft shore power cable. Engine room ventilation fans and a galvanic insulator to the shore power inlet enhance safety and efficiency. A 6Kw Kohler 6 EKOD Diesel Generator supplies 120V AC 60Hz power, while GFCI

protected sockets are available in all cabins, the WC, and the kitchen.

Additional amenities include a Dynaplate grounding plate, USB charging sockets throughout, and a Master Volt 12V 60Amp battery charger. LED lighting is strategically placed in the WC, hall ceilings, and on steps, complemented by bed head lighting lamps and interior lighting. The master cabin features a Fusion music system and speakers, and climate control is managed by a 7000 BTU Mabru Power system air conditioning unit.

The kitchen is well-equipped with a ceramic oven and a 12V Victrifrigo C90 I refrigerator, while the cockpit includes a 12V Victrifrigo drawer refrigerator and a Viictrifrigo DCW46 wine cooler. Safety and control are prioritized with thermal fuses, Carling control switches on the dashboard, and a Lenco trim tab electric flap system. The C Zone 7" control and monitoring system, compass, Garmin VHF, and Garmin VHF antenna ensure precise navigation.

Visibility is enhanced by Marinco windshield wipers with a window washing system, a Garmin 24-mile indoor dome radar antenna, and a Garmin 9-inch radar/GPS/chart plotter display. The yacht is equipped with a Marinco 18" pipe type electric horn, a Marinco remote control projector, navigation lights, anchor lights, and two underwater lights. LED lighting in the engine room and bilge area, along with a 5000W Webasto marine diesel heater with outlets in cabins and the lounge, ensures comfort and safety. Fire and smoke detectors in the cabins provide additional peace of mind.

## Disclaimer

---

The company shares the particulars of this vessel with sincere intent, aiming to deliver precise and thorough information. Nonetheless, it is crucial to acknowledge that the company does not guarantee or assure the accuracy of these details, nor can it vouch for the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they wish to confirm. This vessel is available with the understanding that it may

be sold, have its price adjusted, or be removed from the market without prior notice.
