OVERVIEW

Meet Wolk On Water, a 2006 SEA RAY 40 Sundancer designed for confident cruising and relaxed entertaining. Measuring 40 ft LOA with a 13 ft beam, this United States–based cruiser blends a Modified V-Hull with fiberglass construction and a fiberglass deck for a solid, composed ride. The hull is attributed to Sea Ray, delivering the brand's hallmark balance of performance and comfort.

Powered by twin Cummins inboard diesel engines (2), Wolk On Water offers an efficient cruise at 22 kn and can reach up to 28 Knots. With a draft max of 9.296 ft, and fuel capacity of 275 Gallons paired with a 20 Gallons water capacity, she's set up for versatile weekend runs or longer coastal hops. Inside, the layout reflects the Sea Ray ethos of smart ergonomics and easy living aboard, ideal for a motor yacht cruiser of this class.

DETAILED DESCRIPTION

Remarks

Wolk On Water is a 2006 SEA RAY 40 Sundancer, 40 ft LOA, powered by twin Cummins QSB 5.9 diesel engines and equipped with an Onan diesel generator. The cockpit is expansive, boasting generous seating, excellent visibility from the helm, and direct access to an integrated swim platform, making the boat ideal for sunset cruises, weekend getaways, or extended time aboard. Below deck, the cabin layout offers comfortable sleeping accommodations, a full galley, a private enclosed head, and an inviting salon; Sea Ray craftsmanship and thoughtful design contribute to an interior that feels larger than the vessel's dimensions.

The propulsion and mechanical systems have benefited from substantial recent investment: new port and starboard prop shafts; propellers professionally reconditioned and balanced (November 2025); new port and starboard shaft seals; new starboard transmission; port transmission professionally repaired; new port oil lines; new port alternator; port and starboard heat exchangers serviced; new depth transducer; new freshwater pump (under warranty); and new starboard transmission mounts. These enhancements reduce near-term maintenance concerns and enhance the vessel's turnkey appeal.

Key specifications and features: twin Cummins QSB 5.9 diesel engines; Onan diesel generator; spacious cockpit with abundant seating; comfortable accommodations for overnight cruising; full galley; private enclosed head; integrated swim platform; Sea Ray quality construction and timeless styling.
