OVERVIEW

This exquisite 40-foot Sea Ray Sundancer has been meticulously maintained, reflecting pristine condition both inside and out. Equipped with twin Cummins Diesel engines, this yacht promises an exceptional sailing adventure. Its classic Sundancer design makes it a true standout. Perfect for overnight stays, it boasts spacious staterooms, a fully outfitted galley, and an outdoor wet bar, catering to all your yachting needs. This Sundancer is fully equipped with state-of-the-art Raymarine electronics, an Onan 9KW generator, a windlass system, and flat-screen TVs throughout. Featuring a generous Sundeck at the bow and a large aft deck, this Sundancer, aptly named "It's All Good," is ready for her next voyage.

Current boat location: Available for yacht sales in the area, this gem is a must-see for anyone in the market for a yacht.

DETAILED DESCRIPTION

Section name

The 40 Sundancer stands as a pinnacle of maritime craftsmanship and design, designed to captivate with its flowing deck contours and striking profile. This sophisticated yacht is a distinguished member of the Sundancer lineage, celebrated for its harmonious blend of elegance, power, and poise. The helm is adorned with a refined, wood-accented console, equipped with bespoke instruments that marry functionality with visual allure. For those desiring an extra layer of luxury, an optional fiberglass hardtop is available, further accentuating the yacht's refined silhouette. Built to surpass every other vessel in its category, the 40 Sundancer delivers an unmatched boating experience, merging state-of-the-art performance with enduring elegance. Whether navigating the vast ocean or resting in a tranquil cove, this yacht ensures an extraordinary voyage.

Electronics

The 40 Sundancer boasts a cutting-edge electronics package crafted to elevate your navigation and onboard experience. Central to this system is the Garmin GHS 11 VHF Radio, delivering clear and dependable communication while at sea. Navigational accuracy is assured with the dual Raymarine E120 units, offering extensive chart plotting and data visualization. For extended voyages, the Raymarine Autopilot provides effortless course management, and the Raymarine Dual Array Radar guarantees a clear view of your surroundings, even in the most demanding conditions. Enhancing both safety and ease of use, the yacht is equipped with a new ACR Spotlight and a new anchor windlass featuring user-friendly controls. Fueling your adventures is the powerful Onan 9KW Generator, supplying ample power for all onboard

systems. Furthermore, the Reverso Oil Change System streamlines maintenance, keeping your yacht in optimal condition. This advanced electronics suite ensures that every journey is as seamless and enjoyable as possible.

Helm

The helm of the 40 Sundancer is crafted with a focus on both comfort and practicality, promising an outstanding experience for the captain. Central to this space is the double settee helm chair, offering generous room and comfort for two, perfect for sharing navigation tasks or simply enjoying the voyage together. To ensure a comfortable atmosphere in any weather, the helm features its own air conditioning system, keeping you cool and relaxed even on the warmest days. The wrap-around Eisenglass provides superb visibility while shielding you from the elements, offering a clear view of the horizon. Steering is made easy with the hydraulic steering system, which includes a tilt wheel that can be adjusted to your liking, enhancing both control and comfort. Thoughtful touches like strategically placed cupholders ensure that drinks are always within easy reach, making every journey a delight.

Hull and deck features

The hull and deck of the 40 Sundancer are expertly designed to offer both resilience and visual charm. In May 2022, the yacht underwent a fresh bottom treatment and PropSpeed application, boosting its performance and durability in the water. The deck features eight custom Sea Ray stainless steel cleats, ensuring secure mooring and adding a touch of sophistication. The 316 stainless steel bow rail provides safety while enhancing the yacht's streamlined design. The hull is coated with an Arctic White gel finish, bestowing a spotless and timeless look, while six stainless steel hull windows allow natural light to

fill the interior, creating a bright and welcoming environment. For those who love evening voyages, the underwater lights cast a mesmerizing glow, illuminating the water around the yacht. A new boot stripe was also added in 2022, further refining the yacht's elegant appearance. These elements come together to make the 40 Sundancer a vessel that is as stunning as it is practical.

Cockpit

The cockpit of the 40 Sundancer is crafted to deliver both opulence and functionality, ensuring a delightful and relaxing experience for everyone on board. It includes a hot and cold freshwater washdown system, offering the convenience of rinsing off after a swim or cleaning the deck. The transom door provides straightforward access to the shore inlet, simplifying docking and boarding. To maintain a comfortable environment, the cockpit is fitted with its own air conditioning system, ensuring a cool atmosphere even on the hottest days. The Sea Ray carpet liner throughout the cockpit adds a layer of sophistication and comfort underfoot. For hosting, the cockpit wet bar is an excellent feature, making it easy to serve drinks. The U-shaped seating in the cockpit offers plenty of room for guests to unwind and enjoy the journey, making it an ideal spot for socializing and enjoying the scenery. This well-conceived cockpit ensures that every moment aboard the 40 Sundancer is filled with luxury and ease.

Cabin features

The cabin of the 40 Sundancer exemplifies refined elegance and meticulous design, providing a lavish escape on the water. The interior is graced with a satin cherry wood finish, radiating warmth and sophistication throughout the area. A spacious settee with an adjustable dining table offers a flexible space for dining or unwinding, making it ideal for both intimate meals and casual

gatherings. The wood blinds add an element of privacy and style, enhancing the cabin's overall aesthetic. The carpet liner underfoot boosts comfort, while the cherry wood entry stairs ensure a smooth transition into this welcoming space. The salon settee is not only a cozy seating area but also includes a pull-out feature, converting it into a private double berth for guests. This blend of style, practicality, and comfort ensures that the cabin of the 40 Sundancer is a sanctuary of luxury and relaxation, perfect for extended stays on the water.

Galley

The galley of the 40 Sundancer seamlessly combines elegance and practicality, crafted to fulfill all your culinary desires while on the water. It boasts sophisticated marble countertops that offer a durable and stylish workspace, perfect for preparing meals. The satin cherry wood cabinetry infuses warmth and luxury, providing ample storage to keep the galley tidy and organized. A new Isotherm refrigerator and freezer maintain the freshness of your provisions, while the dual burner range offers flexible cooking options. The inclusion of a new Sharp microwave further enhances the galley's functionality, making meal preparation a breeze. With storage cleverly integrated throughout, the galley is both functional and visually appealing, ensuring that every culinary endeavor on the 40 Sundancer is a pleasurable experience.

Master stateroom

The master stateroom of the 40 Sundancer is a haven of comfort and seclusion, crafted to offer a peaceful escape after a day on the water. At its core is a full-size V-berth, featuring an innerspring mattress that guarantees a restful night's sleep. Underneath the berth, there is generous storage space, ideal for tucking away personal items and maintaining a neat environment. The stateroom includes a hideaway privacy door, enabling you to create a

private retreat whenever needed. A hanging locker with a mirror enhances the room's practicality, providing a handy spot for storing clothes and accessories while also serving as a dressing area. This master stateroom is thoughtfully designed to ensure that every moment aboard the 40 Sundancer is filled with relaxation and peace.

Head and shower

The head and shower area of the 40 Sundancer is crafted with an emphasis on both privacy and opulence, providing a well-equipped space for personal care. Privacy doors allow easy access from the master stateroom and the galley, ensuring convenience for everyone on board. The area features stainless steel handrails, enhancing safety while adding a touch of sophistication. The Vacuflush head system ensures dependable and efficient performance, while the vanity, with its marble countertops, offers an elegant space for grooming. The shower is designed to be separate from the head, providing a more comfortable and spacious experience. Within the shower, an adjustable shower wand offers flexibility and ease, complemented by additional stainless steel handrails for safety. Robe hooks are also included, enhancing the space's functionality. This thoughtfully designed head and shower area ensures that every moment spent on the 40 Sundancer is as comfortable and enjoyable as possible.
