## OVERVIEW

---

SIERRA TANGO IV is the exceptional pre-owned Saxdor 400GTO, a streamlined sport cruiser and open motor yacht that presents as nearly new, offered only because the owner's plans changed. Propelled by twin Mercury V10 400s with just 50 hours, she is maneuvered effortlessly by the Advanced Joystick, which integrates the variable-speed bow thruster for precise close-quarters handling. Confidence is built in with a Brunswick full boat and component warranty through December 2030, engines included. The Generator Replacement XL configuration provides a 24 kWh battery bank for whisper-quiet, generator-free operation, while the Advanced Electronics suite delivers triple 16-inch Simrad displays alongside radar, transducer, autopilot, and VHF. Tropical 8k BTU air conditioning cools both cabins, an electric second-row seating module enhances onboard comfort, and bow and stern shade systems prolong relaxed days at anchor. A full-height aft glass bulkhead opens completely, seamlessly merging cockpit and salon—an elegant touch that defines this performance dayboat and luxurious weekender with unmistakable express cruiser poise.

## DETAILED DESCRIPTION

---

### Oem

---

The Saxdor 400 GTO is a highly anticipated flagship that fuses exceptional performance with remarkable cruising efficiency. Its advanced twin-stepped hull, purpose-engineered for twin outboard installations, delivers rapid acceleration, poised handling, and a notably dry, economical ride, promising an outstanding on-water experience. An open wheelhouse spans the full beam, unlocking an expansive, light-filled interior and granting direct access to the side terraces—an ingenious design feature that elevates the functionality of the balconies and conjures a private-island ambiance when the yacht rests at anchor.
