OVERVIEW

Presenting the Tesoro T40 Inboard, unveiled at the Miami Beach Boat Show 2023. This exquisite yacht is offered in both inboard and outboard versions, featuring a sleek design that captures the spirit of a contemporary dayboat. The Tesoro open cruiser ensures a secure, fast, and comfortable journey, all while radiating a unique style and personality, making it perfect for both relaxed cruising and day trips.

The intelligently crafted layout accommodates up to 12 guests, providing a comfortable sleeping setup with one double and one twin bed, along with a separate toilet and shower. A spacious storage garage is ideal for keeping water toys, while the distinctive bow sunpad offers a secure and luxurious lounging space, even when the yacht is in motion.

The introduction of a new boat brand and shipyard is a rare occurrence, and the Tesoro T40 Cruiser is a standout example, created by experienced and passionate professionals. This model perfectly meets current market needs, representing one of the top choices in its class.

The Tesoro is not only an outstanding day cruiser or weekend retreat but also serves as a high-end, exclusive super-tender for mega or giga yachts.

BUILD PEDIGREE

Built in a cutting-edge shipyard in Murcia, Spain, where Sir Ben Ainslie's British America's Cup team has crafted their groundbreaking flying boats, Tesoro Yachts focuses on flawless craftsmanship. Every aspect reflects a dedication to superior fit and finish, ensuring that wherever you look, you will admire the exceptional quality of this yacht for sale. Discover yacht sales at the current boat location and seize the chance to purchase a yacht that redefines luxury on the water.

DETAILED DESCRIPTION

Tesoro T40 Inboard (2022) - Two Tone Silver Metallic / Gray Metallic Edition

The Tesoro T40 Inboard (2022) in its Two Tone Silver Metallic / Gray Metallic Edition is a remarkable showcase of contemporary yacht craftsmanship, merging sophistication with exceptional performance. The hull is adorned in Awlcraft Moonglow Silver Metallic, while the interior is elegantly styled in Awlcraft Stone Gray Metallic. The upholstery, made from Linetex DUST Color, features intricate diamond stitching in dark grey, and the waterline is also finished in Awlcraft Stone Grey Metallic, creating a seamless and refined appearance.

This yacht is equipped with exclusive features that elevate both its functionality and luxury. The Cullinan T-Top, crafted entirely from carbon fiber, includes six glass sections, offering a sleek and modern aesthetic. A hydraulic swim platform with an 880 lbs capacity provides effortless access to the water, while windows on both sides with portholes allow for abundant natural light and ventilation. The interior layout boasts U-shaped seating with a hi-low table that transforms into a bed, making it ideal for both day trips and overnight stays. For sun protection, there is an electric extending sunshade at the aft and a bow sunshade supported by carbon poles. The natural teak decking with grey caulking adds a touch of timeless elegance.

The Tesoro T40 is equipped with cutting-edge technology, including two Garmin 16" screens with WIFI, sounder, GPS, VHF, and autopilot capabilities. Joystick control and underwater lights further enhance the yacht's modern amenities.

Constructed at the Murcian shipyard in Spain, where Sir Ben Ainslie's British America's Cup team has built their innovative flying boats, the Tesoro T40

benefits from outstanding technical expertise. The shipyard prioritizes flawless finishes, ensuring every detail is crafted with precision and care.

The T40 is powered by 2X Volvo Penta Diesel D6 380 engines, delivering impressive performance. It features a spacious sunpad at the bow and ample walk-around space from stern to bow. The dinette area includes two benches facing each other, separated by a double-wing table covered by an electrically folding bimini top. The wide steps to the bow and deep internal freeboards ensure safety and comfort.

The yacht's anchor system is both practical and visually appealing, with a pivoting stainless steel anchor that can be operated from the helm or via remote control. The interior provides exceptional accommodation, with four windows creating a "skylight effect." The space is divided into three areas: an open cabin with a double bed, an enclosed sink with a separate shower, and a cabin with two spacious single beds.

Tesoro Yachts, established by Juan Olivares and Andrés Martínez, is renowned for crafting boats that are easy to handle, safe, and comfortable. The T40 Cruiser features a classic hull design with clean lines and excellent planing ability. It offers high comfort and smooth navigation, making it perfect for day cruising or weekend escapes.

The yacht's deck is designed for practicality and comfort, with wide, high side steps for complete protection and a dry cover. The stern chest is large and compartmentalized, providing ample storage space. The helm design is ergonomic, with a large console accommodating two 16' Garmin screens and a steering wheel positioned for optimal visibility and control.

Inside, the quality of the carpentry, decoration, and layout enhances the yacht's value. The cabin features a double bed, a separate full toilet, and a second open cabin with two bunks. The shipyard has meticulously focused on indirect lighting, carpentry, and well-organized storage spaces.

In terms of performance, the T40 can achieve a top speed of 42 knots and

maintains a comfortable cruising speed of 35 knots. The advanced V hull design, crafted by naval architect Julio Galiana, offers excellent support and planing capabilities.

Overall, the Tesoro T40 Inboard (2022) is a masterful fusion of style, performance, and luxury, making it a standout choice for discerning yacht enthusiasts.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
