DETAILED DESCRIPTION

Key Features

Liquid Asset, a 2017 Formula Boats 40 PC with an overall length of 40 ft, is maintained with up-to-date mechanical services and equipped with numerous factory options. She is powered by Volvo Diesel IPS 500 engines and features Volvo Joystick Docking.

Exterior

Liquid Asset is a 2017 Formula Boats 40 PC. The exterior presents Imron® standard graphics in A or B and a pressure-treated Perma Panel™ structural hull matrix with foam-filled hull cavities and a chemically bonded and thru-bolted deck-to-hull joint. The heavy-duty PVC gunwale includes a stainless insert, and the integrated bow platform is equipped with a remote control halogen searchlight. Anchoring gear consists of an electric windlass with chain counter, 200' chain, a polished stainless anchor, remote control and a freshwater anchor washdown system, plus a concealed anchor davit with a fiberglass chain locker.

Hardware is stainless throughout with 316L welded rails and stainless custom Formula logo-cast cleats. There are ten fuel fills. Ventilation and light openings include forward polished Bomar® cabin venting hatches with screens; two forward Bomar cabin venting hatches with integrated OceanAir® rollout SKYscreens and privacy shades; three polished port lights with screens; six port lights and an oversized HarbourView® portlight with screen. Decks feature a nonskid foredeck center walkway and walk-around.

Cockpit amenities include two cockpit-coordinated vinyl deck sun pads with adjustable chaise backrests, DriFast® foam and 316L rails, and a cockpit

hardtop with polished Bomar venting hatches, polycarbonate Lexan® front connectors, a light mast flagpole with American and Formula flags and a white air horn. The windshield is tinted, tempered curved glass with a center walk-thru, polished stainless frame and windshield wipers. A Clarion® waterproof transom-mounted stereo control is provided.

A fiberglass swim platform has a concealed stainless swim ladder and pull-up cleats, and the transom includes a shower with hot and cold controls. The molded fiberglass transom trunk with pneumatic lifts offers fender storage, four fenders, line storage and storage for cockpit tables and cushions. Electrical and utility fittings comprise 120V shore power with a fail-safe galvanic isolator and two 30-amp cords, polished stainless shore power, cable TV and phone inlets, and a chrome-finished city water inlet.

Cockpit

Liquid Asset is a 2017 Formula Boats 40 PC, measuring 40 ft LOA.

Equipped with an EPIRB (REGISTERED) and a new ICOM IC-M324 VHF radio with antenna. It features a 16,000 BTU reverse cycle cockpit air conditioner. Forward deck access steps are molded in-dash with 316L stainless handrail. The dash is molded fiberglass in Gray, with a Ritchie compass. A Raymarine e7D widescreen color Chartplotter with digital depth sounder accompanies the navigation suite, alongside a Volvo EVC system with a 7" color display. Illuminated waterproof accessory rocker switches with E-T-A circuit breakers, an auxiliary 12V outlet, and a leather-wrapped stainless tilt wheel complete the helm. There is a lockable under-dash storage compartment and electronic shift and throttle controls, complemented by a Volvo IPS joystick docking system. QL trim tab switches and indicators, a Clarion dash-mounted stereo control with iPod and MP3 port, six 6-inch JL Audio blue LED lighted chrome-finished speakers, and 200W amplification with a 200W cockpit subwoofer provide the sound system. Two dual USB charging ports and 14 polished stainless drink

holders are included. The cockpit and swim platform are accented with blue/white LED courtesy lights with remote control. Integral 316L safety rails, weather-resistant cockpit seating with PreFixx coating, Tenara element-resistant thread, DriFast foam, and Star-Lite XL synthetic marine panel construction ensure durability. Dual-position twin command seating with a center storage compartment, a port lounge with fiberglass-lined storage, and an aft U-shaped lounge with fiberglass-lined storage offer versatile seating. Two color-coordinated dual-height cockpit tables with Corian tops and sun pad inserts accompany a color-coordinated molded wet bar featuring an integrated sink, Corian countertop, a 120V/12V pullout refrigerator with stainless front, a trash container, 316L safety rail, a 120V FCI outlet, and a fire extinguisher. A disconnect switch for the auxiliary 12V power is provided, along with custom-pattern cockpit carpet. A pneumatic-assist transom door completes the setup, while front and side curtains with easy-mount zipper connectors and an aft enclosure in color-coordinated non-fading Sunbrella fabric with Seamark vinyl undercoating offer weather protection. A Raymarine e127 GPS widescreen color radar display/chartplotter with SmartPilot autopilot and p70 control, a 48" open-array HD radar, and depth sounder provide advanced navigation. A cockpit 120V ice maker and a woven cockpit mat round out the amenities.

Cabin

Liquid Asset, a 2017 Formula Boats 40 PC, presents a sliding, locking cabin door and solid wood cabin entry steps. Light Cherry or Baltic Birch woodgrain finish flooring runs throughout the cabin. The private forward stateroom is appointed with double high gloss Bourbon Cherry, Ash or Wenge finish doors, a centerline bed with a Sensus® memory foam mattress and four drawers beneath, a custom quilted bedspread with matching pillow shams and bed linens, and individual reading lights. An OceanAir Skysol pleated blind

system is installed in the galley, dinette, forward stateroom and aft cabin. The forward cabin also includes a 19" LCD HDTV/DVD combo player.

Storage and finishing include a mirrored, lighted starboard cedar lined hanging locker and port valet with shelving and hardwood dovetailed drawers. Curved Ultraleather™ sofa seating with Ultrasuede® lumbar is paired with a dual height, high gloss Bourbon Cherry, Ash or Wenge wood dining table, filler cushion and two Ultraleather pedestal dining stools. Custom décor pillows and draperies complement cabinetry in a high gloss Bourbon Cherry, Ash or Wenge finish.

Climate and electrical systems comprise an 18,000 BTU reverse cycle air conditioner with digital climate control, illuminated 120V and 12V electrical panels, and three carbon monoxide detectors. Entertainment in the main salon includes a 32" LED LCD HDTV/DVD with Blu ray Disc player and Wi Fi, a mini sound bar with subwoofer and dockside access, and a Clarion® GXM CD stereo with iPod/USB docking station, Bluetooth, four 6" speakers with 200W amplification and an 8" subwoofer with 100W amplification. The vessel is subscription ready for Sirius™ Satellite Radio and features forward stateroom volume control.

The Ultraleather aft cabin lounge converts to a double berth with Ultrasuede lumbar, a removable high gloss Wenge wood cocktail table, filler cushion and privacy enclosure; a cedar lined aft cabin hanging locker with automatic light is provided. A built in WalVac® sweeper system with easy access wall plate and in floor storage compartments are included.

The complete galley in high gloss Wenge finish offers storage with hardwood dovetailed drawers, a full Corian countertop, blue LED lit cabinet showcase with tempered stemware and tumblers, a beverage center with Krups® coffee maker, polished stainless sink, concealed 2 burner electric stove with safety switch, 120V/12V stainless refrigerator/freezer, polished stainless microwave oven, concealed in counter trash container, water level gauge and fire

extinguisher. Fresh water is supplied by a demand water system with 57 gallon capacity and one point water fill for the fresh water tank and/or city water, and a 120V water heater with heat exchanger is fitted.

The molded private head compartment features a molded vanity, lower doors in high gloss Bourbon Cherry, Ash or Wenge finish, Corian counter, polished stainless sink, Light Cherry or Baltic Birch woodgrain flooring, a VacuFlush® head with a 55 gallon holding tank and dockside pump out, a separate shower stall with hinged curved acrylic door, hinged Corian seat, exhaust fan and custom woven towels. Safety systems include a cabin bilge pump with a high water alarm.

Engine Room

Liquid Asset is a 2017 Formula Boats 40 PC. The engine room houses a twin Volvo 500 IPS engine installation with Nibral props and QL trim tabs. A motorized hatch lift provides quick access via an integrated quick-access engine hatch, and courtesy lighting is fitted throughout. Safety and systems equipment include a fume detector with automatic fire extinguisher, low-noise rotary bilge blowers, two automatic bilge pumps with high water alarm, and galvanic corrosion protection systems. Electrical and battery arrangements consist of twin start and auxiliary batteries with retainers and an 80-amp battery charger, disconnect switches for the starting batteries, and a battery parallel emergency switch. Power generation is provided by an 8.5 KW/120V Kohler® diesel generator with sound shield and battery.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
