OVERVIEW

Refined and purposeful, the 407 Cuddy captures the spirit of a luxury performance cruiser with thoughtful appointments and seaworthy engineering. Inside, a private head with a dedicated shower stall complements a separate master cabin appointed with a queen-sized bed and hull-side windows, while a forward cabin easily converts into a generous double berth, offering comfortable accommodations for extended voyages. Built with advanced construction techniques and fitted with cutting-edge electronics, the yacht delivers a remarkably dry, smooth ride and spirited performance in a variety of conditions. Purposefully arranged for divers and swimmers, a hull-side dive door opens onto a convenient step ladder flanked by sturdy grab rails for safe water access. Socializing is effortless around plush, custom seating and an elegant wet bar, and anglers will value the practical fishing features—baitwells, rod holders, dedicated tank storage, tackle boxes and a raw water washdown—designed to support serious sportfishing pursuits.
