DETAILED DESCRIPTION

Cockpit

The cockpit of this yacht is remarkably spacious, providing plenty of room for both relaxation and entertainment. The upholstery remains in superb condition, showcasing the diligent care of the owners, which gives the yacht a much newer appearance than its actual age. The dashboard is tastefully designed, enhancing the cockpit's overall visual appeal. Recently, the canvas and eisenglass have been replaced, appearing almost brand new and further elevating the yacht's immaculate look. The canvas is not only aesthetically pleasing but also fits the vessel perfectly, ensuring both elegance and practicality.

Feature-wise, the cockpit includes a Bimini top, offering shade and comfort on sunny days. A cockpit shower is available for added convenience, allowing for a refreshing rinse after a swim. The cockpit cushions provide extra comfort, making it a welcoming area for guests. A cockpit table is also present, perfect for dining or socializing while enjoying the open sea. For swimming enthusiasts, a swimming ladder is easily accessible, facilitating effortless entry and exit from the water. This cockpit is crafted to enhance your yachting experience with a blend of luxury and functionality.

Electronics

The yacht boasts an extensive array of electronics crafted to elevate your navigation and entertainment experiences on the water. For navigation, it is equipped with a radar system and a GPS/chartplotter, providing precise and dependable guidance throughout your journeys. A depth sounder is also included, offering accurate water depth readings for added safety.

Communication is made easy with a VHF radio, crucial for maintaining contact while at sea. The autopilot system facilitates smooth sailing, keeping your course steady with minimal manual effort.

Entertainment options are plentiful, with a radio and CD player offering a delightful soundtrack to your travels. The yacht also features a TV set and DVD player, ideal for unwinding with a film after a day of exploration. For music enthusiasts, the cockpit speakers deliver exceptional sound quality, enhancing the onboard atmosphere. A compass is also provided, offering traditional navigation assistance. This comprehensive suite of electronics ensures that all your navigational and entertainment needs are met, making your time on the yacht both pleasurable and efficient.

Accommodations

The accommodations aboard this yacht exemplify both elegance and meticulous upkeep. The salon is graced with refreshed upholstery in a stunning neutral beige ultra leather, fostering a warm and sophisticated ambiance. The original carpet has been carefully replaced with teak and holly wood flooring, imparting a rich and refined character to the area. As you move forward, the yacht offers a private V berth, complete with a door for enhanced privacy, providing a tranquil escape. On the starboard side, a delightful cabin features two bunks, also with a privacy door, ensuring comfort and seclusion for guests. The owners' attention to detail is apparent throughout the yacht, with every nook reflecting the care and devotion they have bestowed upon this vessel. This commitment to both maintenance and aesthetics guarantees that the accommodations are not only luxurious but also impeccably preserved, offering a welcoming and polished environment for everyone on board.

Galley

The galley aboard this yacht is crafted to deliver all the comforts of home, ensuring a smooth culinary journey while at sea. It boasts solid surface countertops that provide a sleek, contemporary appearance along with durability and easy upkeep. There is plenty of cupboard space available, allowing for neat storage of all your kitchen necessities. The galley is fully equipped with a stove for meal preparation, a microwave for quick and easy cooking, and a coffee maker to kickstart your mornings with a fresh cup. Additionally, a refrigerator is included, keeping your ingredients and beverages fresh and ready for use. This thoughtfully arranged galley ensures you have everything needed to enjoy cooking and dining on board, making your time on the yacht both comfortable and delightful.

Engines

This yacht is equipped with twin 7.4-liter engines, renowned for their smooth performance and maintained with expert care. The engine room is spotlessly clean, showcasing the meticulous attention dedicated to the vessel's maintenance. In the bilge, there is a generator, a water heater, and newly replaced batteries, all of which enhance the yacht's reliability and efficiency. The 400 Express model features a balanced engine setup, which not only allows for quicker planning but also improves fuel economy. This well-thought-out engineering ensures the yacht offers a powerful yet economical ride, making it an ideal choice for those who appreciate both speed and cost-efficiency on the water.
