OVERVIEW

Ciao Bella, a 2023 SEA RAY 400 SLX (40 ft LOA) blends sleek styling with uncommon luxury and remarkable versatility. Designed for effortless entertaining, she offers abundant seating and clever storage throughout. The doublewide helm seat adjusts in multiple ways, while the companion backrest flips to face the aft entertainment zone. Opposite the helm, a doublewide seat pivots to engage the cockpit, and the teak cockpit table expands to full dining size. A distinctive portside walkway leads to the bow, where three forward-facing touring seats feature folding armrests and side storage; the bow converts to a sun pad, and a removable table sets the stage for cocktails.

Below, the starboard head includes a shower and Vacu-Flush toilet. To port, a compact galley provides a microwave and refrigerator, and the wraparound settee with folding table converts to a V-berth. Beneath the cockpit, a generous retreat holds a queen-size mattress with padded outboard backrests.

Highlights include LLC ownership, a Seakeeper, twin Mercury V12 600 Verado engines with low hours, a hardtop with opening sunroof, a fold-down side balcony, Skyhook, and an extended warranty.
