OVERVIEW

At the apex of the Skipper Powerboats lineup, the Skipper-BSK 42NC exemplifies the marque's commitment to advanced engineering, dynamic performance, and impeccable finish. Its razor-sharp deep-V hull, engineered with a four-step running surface and an aero-sculpted sheer, enables rapid planing, exhilarating acceleration and notable fuel efficiency, producing a ride that feels both agile and securely planted. Propelled by twin Mercury 600 V12 Verado outboards, the 42NC pushes toward approximately 70 MPH while retaining composure in tight situations through Mercury Joystick Piloting and the fine control provided by a Vetus bow thruster, delivering an outboard-powered sport yacht that marries seakeeping and speed with fingertip responsiveness.

Designed as an elegant walkaround dayboat for entertaining, coastal passages and effortless weekend escapes, the 42NC's open deck welcomes twelve or more guests into a sociable plan that creates multiple lounges and conversation areas. A well-appointed wet bar, fitted with two refrigerators, a sink and generous storage, keeps service effortless, while the spacious console cabin provides a comfortable berth for two and an enclosed head complete with an electric toilet, sink and shower. Premium Silvertex upholstery, thoughtfully contoured seating and strategically placed grab points reinforce a purposeful layout that allows guests to move with confidence whether underway or at anchor, each detail reflecting a precise attention to finish that makes luxury and performance tangible.

Equally suited to refined weekend cruising, spirited performance runs or serving as a chic superyacht chase boat, the Skipper 42NC blends contemporary naval architecture with assured handling, long-range efficiency and refined style. From its four-step deep-V geometry and joystick-enabled maneuverability to the uninterrupted walk-around deck and well-appointed

cabin amenities, this modern center console delivers a compelling synthesis of athletic capability and sophisticated comfort—an engaging, appealing and undeniably luxurious statement in contemporary yachting.
