OVERVIEW

Listed price is a reference only; all courteous offers are welcomed. The 2002 Formula F40 PC represents a refined express performance cruiser that pairs muscular, athletic lines with sumptuous onboard comforts, engineered for extended passages and lively offshore runs. Measuring 42 ft 7 in LOA with a 12 ft 8 in beam, her sleek silhouette and deep-V hull afford confident handling, a dry, composed ride, and excellent seakeeping—qualities that make this luxury sport yacht a compelling proposition for the discerning owner seeking pace, poise, and practical versatility in a 40-plus-foot express cruiser.

Having been kept indoors on a rack for several years and sheltered from the elements, she presents well for a vessel laid up in that manner; nevertheless, all onboard systems should be thoroughly inspected, recommissioned, and serviced before returning to operation. Prospective buyers are invited to step aboard, assess her condition firsthand, and submit proposals based on their inspection.

A trailer is not included with this offering, though nationwide transportation can be arranged through professional marine carriers, with the option of custom cradles and delivery to port for international shipment; our logistics team will coordinate arrangements and provide detailed quotations to simplify the process. Coast-to-coast transport services, export preparation, and cradle fabrication can likewise be organized, with estimates available upon request through our logistics desk.

Please consult the dedicated disclaimer for full details regarding engine and machinery status. No representation is made as to the condition of engines, drives, generators, or any auxiliary machinery; engine room and equipment photographs can be supplied but do not constitute a warranty. It is the buyer's sole responsibility to inspect and verify the actual condition of all mechanical and electrical systems. Accessories and loose gear should not be assumed to

be included or in storage—this cabin cruiser is offered strictly as viewed, and offers should reflect the equipment and inventory present at the time of inspection.

All information is provided in good faith but without warranty as to accuracy or vessel condition; buyers are urged to confirm particulars to their satisfaction. This vessel is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranty or guarantee expressed or implied, including, without limitation, any warranties of merchantability or fitness for a particular purpose, and no verbal statements will alter the written terms of sale.
