## BALI 4.0 CATAMARAN 2017 OWNER'S VERSION

This exquisite yacht for sale features 3 spacious cabins and 2 heads, complete with bow peak cabins for additional storage. Enjoy the convenience of one bathroom equipped with an electric flush and another with a manual flush. Previously a charter vessel, it has seen light use in the stunning Bahamas.

Powered by dual AB Volvo Penta SE 405 D2 60F engines (60 hp), this catamaran is ready for your next adventure. A brand-new mainsail was added in 2023, along with a self-tacking jib for effortless sailing. The yacht has recently undergone a fresh bottom paint and hull repaint at Hinckley Boat Yard in Stuart, Florida, ensuring it looks as good as new.

The salon boasts an innovative opening garage door that seamlessly connects to the cockpit, while opening windows on the port, starboard, and forward sides invite in the refreshing sea breeze. Equipped with a Cummins generator, this yacht offers reliable power. The air conditioning system includes two units, one in each hull, which may require servicing.

The galley is well-appointed with an ENO propane oven and a three-burner stove, complemented by a stainless double sink and ample storage in the pantry and drawers. The folding dining table features drink holders, and there are comfortable seating options with storage underneath on both the starboard and port sides.

Included with the yacht is a 9-foot dinghy powered by a Mercury 5hp engine, along with lounge cushions for the bridge back deck and bow. The battery bank is conveniently located on the salon floor, and there's a wet storage locker in the aft cockpit. Enjoy the luxury of a transom shower with both hot and cold water.

With replaced tachometers, engine hours are estimated, ensuring you have a clear understanding of the yacht's condition. This vessel is perfect for those

looking to buy a yacht that specializes in sail training and yacht deliveries. Explore yacht sales in the current boat location and discover more about our offerings, including our YouTube page showcasing what we do!
