## SACS STRIDER 12 S

Discover a vessel where sculptural design and naval engineering meet in perfect harmony: the SACS Strider 12 S embodies a confident aesthetic and refined architecture that redefine the luxury maxirib. Born from SACS's visionary work in the maxiribs segment, this yacht blends the reassuring safety and seakeeping of traditional RIBs with the poise and appointments of a premium yacht, resulting in a craft whose presence is as compelling as its performance.

Beneath its sleek lines lie twin IVECO diesel engines, supported by a comprehensive refit completed in 2024 that refreshes systems and structure alike. A full engine and Arneson service is scheduled for 2024 to ensure continued reliability, while brand new floats enhance buoyancy and security. Navigation and control have been modernized with Raymarine equipment installed in 2023, and the entertainment experience was upgraded the same year with a new stereo system. The interior and exterior benefits were renewed in 2023 with fresh upholstery throughout, and a complete repainting in 2023 has restored the exterior to showroom condition.

The Strider 12 S delights with arresting design details and expansive sunbathing areas that invite relaxation, making it perfectly suited for family outings and social cruising. Its combination of style, comfort, and capability also makes it an attractive candidate for charter operations. Currently located in a prime area for yacht sales, this vessel presents an exceptional opportunity to acquire a boat that harmonizes luxury, practicality, and adventurous spirit.

# DETAILED DESCRIPTION

---

## Section name

---

This particular model has undergone a complete refit in 2025, making it one of the most up-to-date and best-value options available today; the 2025 upgrades include brand new 'Carbon' style tubes direct from SACS, a complete engine and surface drive service, and a new controls and navigation system from Raymarine. Additionally, a new stereo system has been installed and all interior and exterior upholstery has been renewed, while the hull and topsides have been fully repainted and a new SeaDeck has been fitted to the swim platform and cockpit to enhance comfort and aesthetics. The yacht is powered by two Iveco Diesel engines, delivering a smooth top speed of 36 knots, and its deep-V hull design ensures exceptional sea-keeping capabilities as generous lounging spaces at both the bow and stern provide ample sunbathing areas. With its striking design and a full 2025 refresh, this SACS Strider 12S is turn-key and ready to impress; a sea trial is available within 24 hours, and for full details and viewing you can call or WhatsApp Tim now on +34 619 142 829.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
