OVERVIEW

2023 41 Regulator Center Console 'Boss Lady'

Discover the ultimate blend of luxury and performance with the 2023 41 Regulator Center Console 'Boss Lady'. This remarkable vessel, now available for purchase, is crafted for those who desire both speed and comfort, whether embarking on a fishing expedition or enjoying a relaxing day at the sandbar with family and friends.

This top-tier center console yacht is driven by four Yamaha 425 outboards, backed by an extended warranty for assured reliability and peace of mind. Outfitted with a Seakeeper 5 for superior stability, 'Boss Lady' also includes sunshades for the bow and cockpit, new batteries, and a full GOST security system.

Fishing aficionados will value the Gemlux Bluewater Outriggers, refrigerated transom fishbox, and electric teaser reels, while safety is ensured with a Viking Life Raft. Inside, the cabin features a galley kitchen, a double berth, a removable floor, and a spacious head with a shower, providing all the comforts of home.

Diligently maintained by the dealer since new, with services for the engine, Seakeeper, and generator every 100 hours, this striking Carolina Blue center console is a must-see. If you're in the market for a yacht, seize the chance to view 'Boss Lady' at the Suncoast Boat Show in Sarasota from April 25th to 27th. Explore yacht sales at the current boat location and make 'Boss Lady' yours today!

DETAILED DESCRIPTION

Bow

The bow of this yacht is crafted with a focus on both practicality and luxury, featuring a forward sunshade that offers excellent protection from the sun, ensuring comfort even on the sunniest days. The anchor and windlass system is expertly integrated, facilitating easy anchoring and secure mooring, which simplifies the overall management of the yacht. Cushioned coaming bolsters enhance comfort, making the bow an ideal place for unwinding. Moreover, the seating area is cleverly designed with storage underneath, providing a smart solution for keeping essentials organized while maintaining a tidy and spacious environment. This blend of features ensures that the bow serves as both a center of activity and a sanctuary of comfort and convenience.

Helm

The helm of this yacht exemplifies cutting-edge technology and meticulous design, offering the captain an unmatched experience. Central to its navigation is the Garmin Fantom 124 Open Array, paired with a Garmin GPS, delivering precise and dependable guidance on every journey. The helm is outfitted with electric teaser reels, boosting the yacht's fishing prowess. A wraparound windshield ensures superb visibility and shields against the elements, while the T-top, with its underside color and handy storage compartment, combines style with practicality.

The Edson carbon wheel ensures a responsive and seamless steering experience, and the dove grey upholstery adds a sophisticated touch to the helm's appearance. For improved visibility during nighttime operations, an LED light bar is strategically placed. The aft mezzanine seat, featuring a prep and

tackle center, keeps all essentials for a successful fishing expedition within easy reach.

Additional amenities include an electric anchor light and antenna mount, an inductive cell phone charger for modern convenience, and Gemlux Bluewater outriggers for exceptional fishing performance. The custom enclosure provides both protection and comfort, while the comprehensive GOST system, equipped with sensors on cowling covers and doors, a high water alarm, and a helm laser beam, ensures thorough security and peace of mind. This helm is more than just a command center; it is a symbol of innovation and luxury, crafted to satisfy the most discerning yachtsman.

Cabin

The cabin of this yacht seamlessly combines comfort with functionality, creating a luxurious haven on the water. Central to the cabin is a fully-equipped galley kitchen, providing all the facilities necessary to effortlessly prepare meals while taking in the ocean views. Next to the kitchen, a generous double berth offers a cozy and restful sleeping space, ensuring a peaceful night's rest after a day of exploration.

The cabin also includes a head with a shower, offering the convenience of a private bathroom, which is crucial for longer stays aboard the yacht. Enhancing the cabin's adaptability is the removable flooring, which allows for straightforward cleaning and upkeep, keeping the area immaculate and welcoming. This cabin is meticulously designed to meet the needs of those who appreciate both comfort and practicality, making it the perfect retreat for relaxation and pleasure.

Cockpit

The cockpit of this yacht is expertly crafted to elevate both relaxation and

practicality, offering a versatile area for all your nautical pursuits. A rear sunshade delivers excellent sun protection, allowing you to comfortably enjoy the open air. The addition of a dive door provides easy water access, ideal for swimming or diving excursions. For those who love fishing or simply unwinding with a drink, the cockpit is outfitted with six cup and rod holders, keeping everything you need close at hand.

Moreover, the cockpit includes four Phender Pro pin holders, enabling quick and secure fender attachment, which simplifies docking. Two multi-color underwater lights set a captivating mood during evening voyages, adding a layer of sophistication to your maritime adventures. The refrigerated transom fishbox is a practical feature for keeping your catch fresh or storing drinks and snacks. Coaming bolsters enhance comfort, making the cockpit a welcoming and enjoyable space for both relaxation and activity. This cockpit is thoughtfully designed to meet the varied needs of yacht enthusiasts, ensuring a perfect balance of comfort and functionality.

Mechanical systems

The mechanical systems of this yacht are designed to provide outstanding performance and dependability, ensuring a seamless and pleasurable journey on the water. Central to its stability is the Seakeeper 5, an advanced gyroscopic stabilizer that dramatically minimizes roll, offering unmatched comfort even in rough waters. Complementing this is a set of brand-new batteries, guaranteeing that the yacht's electrical systems operate efficiently and reliably. The yacht is powered by four Yamaha 425 XTO outboards, celebrated for their strength and efficiency. These engines are backed by an extended warranty valid until June 4, 2030, providing peace of mind and confidence in their long-term performance. The fresh water motor flush system is a considerate feature, designed to keep the engines in top condition by preventing saltwater corrosion.

This yacht has been maintained by the dealer since its purchase, with detailed servicing every 100 hours for the engines, Seakeeper, and generator, ensuring that all mechanical components remain in excellent condition. This dedication to maintenance highlights the yacht's readiness for any voyage, offering assurance and reliability to its owner.

Hull

The hull of this yacht is a standout element, featuring an enchanting Carolina Blue hue that not only boosts its visual allure but also ensures it is easily noticed on the water. Recently refreshed with new bottom paint, the hull is thoroughly shielded against marine growth, guaranteeing peak performance and durability. This meticulous maintenance highlights a dedication to keeping the yacht in immaculate condition and operating efficiently.

Safety is of utmost importance, and the inclusion of a Viking life raft for eight people emphasizes this focus, offering reassurance to everyone on board. This life raft is an essential safety component, ensuring readiness for any unexpected situations at sea. The blend of style, upkeep, and safety makes this hull a testament to the yacht's superior quality and preparedness for any adventure.

Disclaimer

The details concerning engine and generator hours in this listing represent the information available at the time it was initially posted. These hours are based on what the listing broker has been told by the owner and/or the actual readings from the engine hour meters. Nonetheless, the broker cannot assure the precision of these hours. It is the duty of the buyer and/or their representative to confirm engine hours, any implied or explicit warranties, major overhauls, and all other statements mentioned in the listing brochure.

The company provides the information about this vessel in good faith but cannot guarantee or warrant the accuracy of this data or the vessel's condition. Potential buyers are advised to have their agents or surveyors examine any details they wish to verify. This vessel is offered subject to prior sale, price modification, or withdrawal without notice.
