DETAILED DESCRIPTION

Key features & upgrades

This yacht exemplifies luxury and high performance, powered by Cummins 6CTA Diesel inboard engines that deliver impressive strength and dependability. Supporting the main engines is a Westerbeke Diesel generator, which ensures all onboard systems operate smoothly and efficiently. The newly added bow thruster makes maneuvering a breeze, offering precision and control in tight docking scenarios.

The yacht's interior is beautifully finished with a cherrywood package, radiating elegance and warmth throughout the living areas. For navigation and safety, the yacht is equipped with a full Raymarine Electronics suite, including an RL 80 Radar and a sophisticated Raymarine Autopilot system, guaranteeing a smooth and enjoyable journey.

Anchoring is made easy with the windlass, while the cockpit features an electric sunpad for ultimate relaxation in the sun. Recent enhancements include a new canvas setup, featuring a Bimini top, side and forward curtains, a sunshade, and an aft curtain, all installed in 2022 to improve comfort and protection from the elements. Furthermore, the yacht is fitted with a new cockpit carpet, adding a layer of luxury and comfort underfoot.

This vessel is more than just a mode of transportation; it is a declaration of style and sophistication, offering an ideal combination of technical excellence and luxurious features.
