OVERVIEW

2010 Adrenaline SV40

2020/2010 SSV40

Embrace the excitement of the ocean with this 40-foot high-performance center console yacht, powered by twin 496 MAG engines and Bravo outdrives. Outfitted with external hydraulic steering, 380 K planes, and a cutting-edge digital dashboard, this yacht is crafted for those who desire both speed and opulence. Unwind on the roomy front lounge with generous storage, or escape to the full V-berth cabin featuring side lounge seating. The split rear seating and sun pad engine cover provide extra comfort, while the large integrated swim platform beckons you to enjoy the water. Elevate your experience with a Wet Sounds stereo system, complete with LED lighting and three 12-inch subwoofers. A full boat cover and aluminum trailer are included for your ease.

Originally built in 2010, this yacht was carefully stored indoors at the factory, with minimal hours until it was presented as a prototype for groundbreaking design ideas. Virtually brand new, it boasts a fresh paint job, new upholstery, and a redesigned seating arrangement, enhanced by SeaDek flooring throughout. The engines and drives have been exclusively used in fresh water, with only 45 original hours recorded. Its modern-retro design commands attention on the water, accentuated by through-hull exhaust and a robust twin V8 setup. Recreating this build as a new model would surpass \$500K. Take advantage of the chance to own a yacht from one of the world's most sought-after brands, offering over 70 MPH performance at a fraction of the price. Explore yacht sales in the current boat location and make this remarkable vessel yours today.
