## 2009 Bahama 41

Experience the pinnacle of opulence with this immaculate 2009 Bahama 41, a yacht on the market that guarantees an extraordinary journey on the water. Situated in a prime location for yacht transactions, this vessel has been lovingly cared for by only two owners. It features a new set of quad Suzuki 350 engines, backed by a six-year warranty, providing assurance to the selective buyer. The boat has been kept on a lift, maintaining its pristine condition without any bottom paint. Outfitted with an advanced joystick and a brand-new Simrad suite, this yacht glides effortlessly at 50 MPH and can reach an exhilarating top speed of 65 MPH, delivering 1 MPG at 40 MPH. Over \$200,000 has been invested to ensure it stands out in the marketplace.

This yacht is in near-new condition, poised for its next voyage. The onboard entertainment is second to none, boasting a robust 1000W JL Audio system with 12 speakers, including 4x 7.7" speakers mounted under the gunnel in fiberglass enclosures, 2x 8.8" speakers forward, 6x 6.6" speakers under the hardtop, and a 10" subwoofer in a tube.

The yacht is equipped with cutting-edge Simrad electronics, featuring multifunctional displays such as the NSS-12, NSS-16, GO7, and GO9 in the tower, along with a Halo 3 radar and a dedicated bottom machine. Comfort is a priority with new upholstery, covers, windlass, and both rear and forward bench seating. The forward fishbox freezer and four electric reel outlets enhance its fishing prowess.

The quad 350 engines are complemented by Optimus steering, joystick control, and SeaStation technology, ensuring exceptional maneuverability. The yacht's blue metallic hull paint and matching cowling trims add a touch of sophistication.

This is among the finest 41-foot yachts available, with no expense spared in its

maintenance. A comprehensive annual service was completed in July 2021, and all five main batteries have been recently replaced. The yacht is tournament-ready with a full tower and Rupp carbon outriggers, and the forward box features Sea Frost freezer plates.

For those in the market for a yacht, this Bahama 41 offers a rare opportunity in its current location, delivering unmatched luxury and performance.
