OVERVIEW

Georgica, a 2023 Fjord 41 XL, marries unmistakable Scandinavian poise with a deck plan designed for effortless entertaining, spirited day cruising, and relaxed weekend retreats. Twin 440 HP Volvo Penta diesels with DPI sterndrives and joystick control deliver assured performance and precise close-quarters handling. The Whisper Grey hull sets the stage for expansive sunpads and a versatile cockpit dining area, complemented by twin outdoor galley modules, while a sturdy T-top with electric bimini and a hydraulic swim platform elevate comfort and convenience. Below, two double-berth cabins finished in Milano Oak and a head with a separate shower offer inviting overnight accommodations. Gulf-specification air conditioning, an 8 kW generator, twin Simrad displays, and a premium JL Audio entertainment system complete a thoughtful specification equally at home at anchor or underway for a long weekend.

DETAILED DESCRIPTION

Engines

Georgica is equipped with twin Volvo Penta D6-440 diesel engines, each rated at 440 HP, paired with Volvo Penta DPI sterndrives featuring joystick control and Volvo Penta active corrosion protection for the sterndrives.

Hull Details

The hull is built from fiberglass (GRP) and finished in Whisper Grey. The decks, swim platform, and gunwales feature Scrubbed Grey synthetic teak. An extended hydraulic swim platform with an integral boarding ladder is mounted aft. Anchoring gear comprises a slide-out anchoring system with a 15 kg galvanized anchor and 50 meters of stainless steel chain, complemented by an electric anchor windlass with automatic circuit protection and an anchor chain counter. A T-top with an integrated electric bimini in white mesh is installed, and the extended windshield extends up to the T-top; the windshield is equipped with wipers. Port and starboard dashboard surfaces are painted. Each side houses exterior galley modules with marine mineral stone countertops: the port galley contains a 65 liter refrigerator, while the starboard galley provides a sink with a folding mixer faucet and storage, along with a two burner electric induction cooktop. The aft sunbed offers storage and two drawer refrigerators. Cockpit seating comes with backrests and two folding tables mounted on fixed pedestals. Exterior upholstery is Light Grey Sunbrella, helm seating is Dark Grey Ultraleather, and protective covers are supplied for exterior seating, tables, and galley modules, together with companionway and dashboard covers. Six cushion fenders are included.

Mechanical/Electrical

Georgica, a 2023 Fjord 41 XL with 41 ft length overall, is powered by a Fischer Panda 10000i generator rated at 8.0 kW. The vessel features Gulf-specification air conditioning that serves the guest cabin, along with a separate shore power connection dedicated to air conditioning. An upgraded 30-amp shore power connection has been installed for the induction cooktop. Exterior systems include side-deck courtesy lighting and multicolor indirect lighting integrated into the side-deck handrails, dashboard, and sunbed. Shestakov Yacht Sales.

Interior

Georgica, a 2023 Fjord 41 XL with a length overall of 41 ft, presents a refined two-cabin arrangement with double berths in both the master and guest accommodations. The master suite features a sliding privacy door and benefits from an enlarged port-side wardrobe in addition to an extra starboard wardrobe. The head offers a separate shower. The guest cabin includes a sofa, a wardrobe, and two opening portholes. Lobby seating conceals a 35-liter drawer refrigerator beneath. The interior is finished with Milano Oak cabinetry and cliffside dash upholstery, with blinds fitted for both deck and hull windows. Shestakov Yacht Sales.

Entertainment

Georgica (Fjord 41 XL, built 2023, LOA 41 ft) presents a refined Simrad glass bridge as its command center, featuring twin 12-inch multifunction displays, a depth, speed and temperature transducer, a Simrad display remote control, and an autopilot with electronic compass. For communications and navigation, there is a Simrad RS90S VHF radio with antenna and FM/AIS splitter, while a master cabin television is provided with a satellite antenna for effortless

viewing.

The exterior entertainment system showcases a JL Audio Ultimate three-zone package powered by JL Audio MM50 and MM100 BE source units, complemented by an M800/8v2 amplifier and an M600/1 amplifier. Low-frequency acclaim is achieved through two JL Audio M6 10IB-L subwoofers, and the high- and midrange performance is delivered by eight JL Audio M6 770X-L speakers, positioned as pairs inside, at the helm, on the foredeck, and in the cockpit. A JL Audio MMR-40 remote control completes the system for convenient operation.

Disclaimer

Georgica, built in 2023 by Fjord, is the 41 XL model with a length overall of 41 ft.
