OVERVIEW

Presenting the Brand-New GT 41!

Available for Immediate Acquisition!

Experience the Gran Turismo 41, a pinnacle of maritime craftsmanship. This yacht for sale delivers unmatched comfort and thrilling performance, making it the perfect choice for those desiring a lavish retreat on the water. Ideal for hosting, this vessel merges power with sophistication, perfect for creating unforgettable memories with family and friends.

Notable features include:

Twin Volvo D6 engines, each delivering 380 horsepower.

Spacious electric sunroof.

Electrically controlled submersible swim platform.

Joystick steering for seamless maneuvering.

The Gran Turismo 41 is a distinguished member of BENETEAU's revamped express cruiser series, which includes six models ranging from 32 to 50 feet. This 41-foot yacht builds upon the respected heritage of the Gran Turismo 40, celebrated for its seaworthiness and striking design, while enhancing its functional features and iconic style. It continues the legacy of its predecessor, focusing on guest comfort aboard.

A remarkable aspect of the Gran Turismo 41 is its hardtop, providing the largest possible opening to enjoy the sun and sea, while offering protection for everyone on board. Compared to the GT 40, the GT 41 features slimmer supports, allowing more natural light to illuminate the interior. The large sliding roof, standard on this model, provides additional open-air access while ensuring protection when necessary.

With its sleek hull and elegant lines, the Gran Turismo 41 radiates speed and sophistication, designed with socializing in mind. Every element is crafted to

enhance ease and enjoyment: safe movement around the yacht, a sociable U-shaped salon, a functional outdoor kitchen, and numerous comfortable lounging areas.

The lower deck is exceptionally inviting, perfect for extended voyages and overnight stays. In addition to the galley and bathroom, there are two private cabins, each with beds aligned parallel to the yacht's centerline, ensuring a superior onboard experience.

Incorporating Air Step® technology, the Gran Turismo 41 achieves greater speed and stability by increasing airflow beneath the hull. This innovation allows for faster acceleration, optimized speed, and reduced fuel consumption. The patented design ensures excellent seakeeping, smooth wave navigation, linear acceleration, and easy handling of turns. The "Air cushion" effect is enhanced by rear pads, while V-shaped steps further stabilize the yacht. Explore yacht sales at the current boat location and seize the opportunity to purchase a yacht that promises both adventure and luxury.

DETAILED DESCRIPTION

Section name

This yacht exemplifies the pinnacle of contemporary design and opulence, featuring a range of additional installed options that elevate the onboard experience to extraordinary levels. The salon, adorned in Bora Bora 51, exudes a refined and welcoming ambiance. The Comfort Trim Level 2021 package enhances both functionality and convenience with a multifunctional Garmin 12" screen, a Fusion-controlled audio system, and strategically placed speakers in the salon and cockpit. A 13-gallon refrigerator in the cockpit ensures that refreshments are always within reach, while an extra house battery and electric toilet contribute to the comfort and ease of life on board. The cockpit's sliding windows facilitate a seamless connection with the surrounding environment.

The Premium Foredeck Package in Marlin Auster transforms the foredeck into a lavish retreat, complete with a sunbathing mattress, a retractable canopy for shade, and courtesy lights for an ambient evening atmosphere. The Ambiance Package further enhances the yacht's interior with padded cockpit seating, a leather-covered sport chic helm wheel, and accent lighting in both the salon and cockpit. White lacquered doors in the galley and salon, along with a mirror in the salon, add a touch of elegance and spaciousness.

For technology enthusiasts, the Electronic Package is a highlight, featuring a Garmin VHF & AIS, Garmin autopilot, a wireless connection module for iPad, and radar. The yacht is equipped with a mooring and anchoring kit that includes a stainless steel anchor, ensuring stability and security. Additional exterior features include a cockpit aft sunshade, white exterior cockpit covers, and black exterior cockpit window covers, all designed to enhance comfort and privacy.

The yacht's functionality is further augmented by an electric aft swim platform, a bow thruster for effortless maneuvering, and a 7.5KW generator to power all onboard systems. Aft lighting in the hardtop provides illumination for evening gatherings, while a 110V grill in the cockpit and a cockpit icemaker cater to culinary needs. Climate control is prioritized, with air conditioning and heating available in both the cockpit and the salon and cabin areas, ensuring comfort in any weather.

The convertible salon table offers versatility, adapting to various needs, and Venetian blinds provide privacy and light control. This yacht is a testament to luxury and innovation, offering an unparalleled experience on the water.

Disclaimer

The company offers the information about this vessel with complete honesty, but it cannot ensure the precision of the details provided, nor can it guarantee the vessel's condition. Potential buyers are encouraged to employ their agents or surveyors to meticulously examine and confirm any details they find essential. It is crucial to acknowledge that the listed hours might vary from the actual hours due to recent use, and buyers are advised to verify these hours before finalizing a purchase. This vessel is offered for sale with the possibility of prior sale, price adjustments, or removal from the market without prior notice.
