OVERVIEW

Step aboard the magnificent NC 1295 Flybridge, a yacht designed to deliver unmatched comfort whether you're cruising or at anchor.

Its contemporary and elegant design will surely captivate you.

This newest model features multiple living spaces crafted for relaxation with family and friends. The introduction of new hull windows, a signature of Jeanneau, adds a distinctive touch to this flagship of a renowned series.

Indulge in the luxury of an electrically controlled starboard terrace, ideal for swimming and enjoying peaceful moments with your feet in the water as the sun sets.

On the port side, a generous side door provides easy access for everyone on board. Break away from the ordinary and unwind on one of the three integrated sun loungers on the forward deck, offering pure serenity! Sun lovers will delight in the fully equipped flybridge, perfect for high-speed cruising, private sunbathing, and enjoying cocktails with a sea view at the end of the day.

With large, bright windows providing a panoramic view of the sea, life aboard this flagship is a pleasure, enhanced by a stylish, modern selection of materials. Take the helm and enjoy the latest technologies, similar to those found on the largest yachts, for seamless navigation. The starboard door allows for easy access and smooth maneuvers, ensuring a stress-free journey. Embark on your voyage and settle into one of three comfortable cabins, guaranteeing restful nights on the water at every stop along your adventure!

DETAILED DESCRIPTION

Standard key features

This yacht represents a pinnacle of contemporary engineering and design, delivering an opulent and effortless experience on the water. A key feature is the electrically operated terrace on the starboard side, offering a sophisticated and easy way to take in the panoramic views. The yacht is also equipped with three built-in sun loungers, ideal for basking in the sun with style and ease.

The fully outfitted flybridge is another remarkable aspect, providing a sweeping view of the ocean and an ideal venue for hosting guests. Entry to the interior is simplified by the aft transparent sliding door, which not only adds to the visual appeal but also facilitates a smooth transition between the indoor and outdoor areas. Moreover, the starboard lateral sliding door enhances convenience and accessibility.

Inside, the galley is fitted with overhead lockers, providing plenty of storage for all your cooking essentials. The helm is equipped with a large luxe bolster pilot seat, ensuring maximum comfort and support for the captain. For those who wish to enjoy the voyage from a different angle, the co-pilot bench is strategically placed to face the sea on the starboard side, offering an uninterrupted view of the horizon.

Lastly, the flybridge table serves as a perfect setting for dining or socializing, transforming this yacht into more than just a vessel, but a luxurious floating retreat. Every element has been meticulously designed to guarantee an unmatched yachting experience.

Optional features

This yacht comes with a remarkable selection of optional features that

enhance both its functionality and luxury. The North American Package customizes the yacht to cater to the unique demands and tastes of this market. The onboard technological experience is elevated with an upgraded electronics package, while the Audio Pack Fusion delivers exceptional sound quality for entertainment.

To facilitate docking and anchoring, the yacht is equipped with a complete mooring kit and anchoring kit. Comfort in the aft cockpit is improved by an electric retractable sun awning, and a sunshade for the front cockpit provides extra protection from the elements. The protection cover set ensures that every part of the yacht is shielded when not in use.

The flybridge is a highlight, featuring a graphite bimini top and a fully equipped galley with a grill, ideal for alfresco dining. The wooden table and aft sunpad offer a luxurious area for relaxation, while the front cockpit table, made from fiberglass, adds a touch of sophistication. External window covers crafted from Sunworker material provide both privacy and sun protection.

Stability and power are guaranteed with the inclusion of a gyroscopic stabilizer SK3 and a 9kVA Panda generator. The yacht also features two underwater lights, creating a captivating atmosphere during evening voyages. Inside, the twin drawer fridge and freezer provide ample space for provisions, and the salon, stairs, corridor, and cabins are all carpeted for additional comfort and elegance.

Performance is enhanced with automatic trim tabs from Zipwake, and the yacht includes an upgrade for the Yamaha joystick, ensuring precise and effortless handling. Each optional feature has been meticulously chosen to enrich the overall yachting experience, making this vessel a true masterpiece on the water.

Default disclaimer

The company offers the information about this vessel with sincere intentions, aiming to deliver precise and thorough details. Nonetheless, it is crucial to understand that the company does not guarantee or assure the accuracy of this information, nor can it vouch for the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they want confirmed. This vessel is available with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
