DETAILED DESCRIPTION

Standard Key Features

This magnificent yacht features an immaculate white exterior, beautifully paired with the opulent Leatherette Dolce Artesian upholstery in the salon. Crafted for both comfort and practicality, it includes a windlass control and chain counter conveniently placed in the wheelhouse for effortless navigation. A robust generator caters to all onboard requirements, while the front sunlounge accommodates three, ideal for sunbathing.

The yacht is fitted with an electric retractable shorepower cable for easy connectivity, and ambient LED lighting in the salon and cabins creates a cozy and welcoming environment. For added elegance and safety, LED lights are also embedded in the cockpit and flybridge floors. The Lenco trim tabs with dual control boost the yacht's performance, and a sliding window on the portside invites fresh air and natural light.

Weather protection is assured with AFT and bow cockpit covers, and mattress battens in the master stateroom ensure a peaceful night's rest. The flybridge includes a front sunpad with a cover, providing another perfect relaxation spot. Maneuverability is enhanced by a bow thruster, and the fully electric galley is ready for any culinary endeavor.

Comfort is prioritized with a powerful air conditioning system rated at 36,000 BTU, maintaining a pleasant atmosphere throughout the yacht. Porthole mosquito screens offer insect protection, allowing you to enjoy the sea breeze undisturbed. This yacht flawlessly merges luxury, comfort, and cutting-edge technology, making it the perfect choice for the discerning sailor.

Optional features

This yacht comes with a remarkable selection of optional features that boost both its practicality and opulence. The North American Package guarantees the yacht adheres to the highest standards of comfort and ease. The enhanced electronics package offers cutting-edge technology for both navigation and entertainment, while the Audio Pack Premium Fusion provides an outstanding auditory experience throughout the vessel.

For those who appreciate effortless docking, the mooring and anchoring kits are essential. The sunshade for the front cockpit shields you from the sun, and the protection cover set keeps the yacht in immaculate condition. The graphite bimini top on the flybridge adds both shade and style, and the flybridge galley, equipped with a sink and electric grill, is ideal for dining under the open sky.

The yacht includes a fiberglass AFT cockpit table and a front cockpit table, both crafted for durability and sophistication. External window covers made from Sunworker material provide extra protection and privacy. The gyroscopic stabilizer SK3 ensures a smooth journey, even in rough waters, and the underwater lights create an enchanting atmosphere during evening cruises.

Inside, the twin drawer fridge and freezer, along with a microwave oven, meet all culinary requirements. The salon table can be transformed into a double berth with a filler cushion, offering additional sleeping space. Plush carpeting in the salon, stairs, corridor, and cabins adds a layer of elegance and comfort.

Automatic trim tabs by Zipwake improve the yacht's performance, and the Garmin VHF 315i ensures dependable communication at sea. These optional features make this yacht an ideal fusion of luxury, technology, and functionality, providing an unmatched experience on the water.
