DETAILED DESCRIPTION

Section name

The Regulator 41 is crafted to enhance your offshore adventures, now featuring the Seakeeper Gyro stabilization system for unmatched steadiness. This luxurious sportfishing yacht boasts a vast deck area, a large livewell, and impressive fishbox capacity, along with a starboard boarding and dive door for effortless access. The air-conditioned helm station provides supreme comfort, while the elegant cabin includes a practical galley kitchen, a double berth, and a roomy head with a shower.

This vessel is powered by white-painted quad Yamaha F350s, equipped with Helm Master® and Set Point™ technology, having 275 hours of operation and remaining warranty. The yacht is fitted with sophisticated navigation and communication systems, such as three Garmin 8616s, a Garmin Open Array Radar, Garmin Autopilot, and Garmin VHF. The SeaKeeper SK5, with 88 sea hours, further enhances stability, ensuring a smooth and pleasurable voyage. Additional amenities include an aft shade for sun protection, an 8KW Fischer Panda Diesel Generator with 220 hours, and air conditioning in both the cabin and helm. The galley is fully equipped with a refrigerator, microwave, sink, and cooktop, providing all the comforts of home while on the water. The Regulator 41 is truly the epitome of a luxury sportfisher, blending performance, comfort, and state-of-the-art technology.

Features

The yacht is outfitted with an extensive array of electronics, guaranteeing a flawless navigation experience. It features a depth sounder, log-speedometer, and a fully integrated navigation center. The plotter and autopilot systems are

enhanced by GPS and VHF capabilities, while radar and radio systems ensure continuous communication and safety. For entertainment, a CD player and cockpit speakers deliver superior audio quality throughout your voyage.

Inside, the yacht is equipped with a Seakeeper stabilization system, an electric bilge pump, and a battery charger to maintain peak performance. Comfort is assured with air conditioning and heating systems, while a sea water pump and microwave oven add convenience. The marine head and electric head, along with a refrigerator, complete the interior amenities.

Electrical equipment includes a shore power inlet, ensuring the yacht remains powered and ready for any journey. Outside, the yacht features cockpit cushions, a swimming ladder, and a cockpit shower, enhancing the outdoor experience.

Standard equipment on the yacht includes a Ritchie Blue Face SuperSport Compass and a Yamaha CL7™ touchscreen display. The marine stereo system is SiriusXM® ready and includes Bluetooth connectivity, eight JL Premium Speakers, a 700W amp, an external digital antenna, and a subwoofer. The EZ-View flushmount electronic mounting face provides easy access in the head compartment, while the battery system with switches and eight marine batteries ensures reliable power. Two 40 Amp battery chargers and a 50' power cord are included for convenience.

The yacht's console features a frameless tempered glass windshield, glove boxes with fiberglass lids, and an Edson™ polished silver wheel with a power knob. The frameless fiberglass integrated console door and helm air conditioner vents add to the luxury, while Flexiteek marine decking at the helm provides a stylish touch. The helm space accommodates up to three 17" displays, and USB charging ports are available for added convenience.

The console interior is equipped with a CO detector, courtesy LED lights, and a bilge high water alarm. Sleeping accommodations for two include reading lights, and the galley is well-appointed with a refrigerator, microwave, sink,

inductive cooktop, and cabinet storage. A cherry dining table with seating for four, a 10,000 BTU air conditioner, and an 8kW Fischer Panda diesel generator ensure comfort and functionality. Entertainment is provided by a 28" 12V LED TV with an AM/FM/CD/DVD player.

The head interior features a stand-up head compartment with an electric head, a 13-gallon holding tank, a solid surface countertop, a sink with hot water, cabinet storage, interior lighting, and a mirror. A hot water shower and two towel racks, along with a vented port light, complete the head's amenities.

On the deck and cockpit, the yacht is equipped with a Seakeeper Gyro stabilization system and a fiberglass T-Top with surfboard edges, an electronics box, integrated spreader lights, multi-colored LED lights, and rocket launchers built into the aft support frame. The 360° coaming pads, stainless steel trim tabs with an indicator switch, and a starboard boarding and dive door with an integrated folding ladder enhance functionality. Additional features include pull-up bow cleats, stainless steel hardware through-bolted with elastic stop nuts, and molded non-skid horizontal surfaces. The engine bracket with an integrated telescoping ladder and Flexiteek marine decking, along with a through-stem bow roller with an anchor windlass, remote switch, rode, anchor, and freshwater wash down, ensure ease of use. Hull color-matched stainless steel scuppers, a flush-mounted fiberglass sun bed with a filler cushion, and a convertible pedestal table with an electric motor to raise and lower add to the yacht's appeal. White-painted engines and USB charging ports in the forward seating area complete the deck and cockpit features.

Fishing equipment includes a 60-gallon freshwater system with wash down faucets and a transom shower, an insulated illuminated 336 qt. transom fishbox, and two insulated illuminated 40-gallon transom livewells. Saltwater wash down and livewell plumbing, a bucket holder with custom Regulator buckets in the forward settee, and six stainless steel rod holders provide ample fishing capabilities. A 624 qt. in-deck illuminated fishbox with locking

rod storage that holds eight rods ensures you are well-equipped for any fishing adventure.

Seating options include forward seating with flip-up backrests, a forward console settee, and a 4X deluxe tackle center with triple helm companion seats, armrests, flip-up bolsters, and individual folding footrests with a SoftGrip foot rail. The solid surface countertop, electric grill, sink, trash bin, drawers, and tackle and tray storage compartments provide convenience and functionality. An integrated flush folding transom seat completes the seating arrangements, ensuring comfort and style throughout your journey.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
