OVERVIEW

ACQUIRE THIS PURSUIT 365 I SPORT COUPE AND SECURE A BERTH AT HYANNIS MARINA FOR THE 2024 SEASON!

This exquisite yacht is available with upgraded twin 2018 Yamaha F350C engines, having clocked only 280 hours. It includes a transferable YES Warranty, which can be extended through 2027. Notable features encompass a bespoke sun pad, Panda generator, Garmin electronics package, and air conditioning in both the cockpit and cabin. Additionally, the yacht is fitted with a bow thruster and a Kenyon grill in the cockpit.

The hull is expertly designed for dependable Yamaha Outboards, showcasing a sharp entry, 20-degree deadrise, traditional strakes, reverse chines, and a fully enclosed engine compartment. Its sophisticated transom design, sheerline, windshield framework, hardtop, and hullside window accents make it a remarkable choice in yacht sales at the current boat location.

At the bow, a standard horizontal windlass system ends with a refined anchor recess notch for the stainless steel plow-style anchor. Optional sun lounges on the bow provide adjustable backrests, handrails, and drink holders. Without the cushions, the bow deck recess becomes a chic feature. A sturdy bow rail and stanchions accentuate the sheerline, offering additional safety when moving forward.

The single-piece, laminated, bonded windshield system is flawlessly integrated with the fiberglass hardtop, featuring a large sunroof to welcome the outdoors on perfect days. The sweeping windshield frame holds a single, curved piece of tempered glass, providing a clear view for pleasurable navigation.

The oversized helm chair is paired with a comfortable seating arrangement on the port side, allowing passengers to enjoy the yacht's atmosphere from the helm. The aft cockpit features an extra-large lounge, fully cushioned for entertainment and relaxation. A fiberglass entertainment center conceals a

sink with freshwater, an electric grill, and storage below. A stainless steel refrigerator keeps your beverages chilled and ready.

Natural light pours through six hull side windows and three overhead deck windows, enhancing the cabin's open layout. The meticulously designed galley, head, convertible dinette, and full-beam midcabin offer luxury and practicality. The forward convertible dinette transforms into an island berth, while the midcabin accommodates a single or twin bed setup, comfortably sleeping four adults.

Discover yacht sales at the current boat location and purchase a yacht that promises sophistication and adventure on the water.

DETAILED DESCRIPTION

Section name

This outstanding Pursuit 365 I Sport Coupe includes a berth at Hyannis Marina for the 2024 season, presenting an irresistible opportunity for boating enthusiasts. The yacht is powered by twin 2018 Yamaha F350C engines, with a mere 280 hours of operation. These engines come with a transferable YES Warranty, extendable until 2027, offering long-term peace of mind.

The yacht features a custom sun pad, a Panda generator, and a full Garmin electronics suite. Air conditioning is installed in both the cockpit and cabin, ensuring comfort regardless of the weather. The bow thruster simplifies navigation, while the Kenyon grill in the cockpit is perfect for entertaining guests on board.

The hull is meticulously crafted for reliable Yamaha Outboards, with a sharp entry, 20-degree deadrise, traditional strakes, reverse chines, and a fully enclosed engine compartment. Its sleek transom design, sheerline, windshield framework, hardtop, and hullside window details make it a standout in today's market.

At the bow, the standard horizontal windlass system ends with a tidy anchor recess notch for the stainless steel plow-style anchor. Optional sun lounges on the bow offer adjustable backrests, handrails, and drink holders. Without the cushions, the bow deck recess becomes a chic feature. A robust bow rail and stanchions enhance the sheerline, providing added security when moving forward.

The single-piece, laminated, bonded windshield system is seamlessly integrated with the fiberglass hardtop, featuring a large sunroof to welcome the outdoors on perfect days. The sweeping windshield frame holds a single, curved piece of tempered glass, providing a clear view for enjoyable

navigation.

The oversized helm chair is paired with a comfortable seating arrangement on the port side, allowing passengers to enjoy the yacht's atmosphere from the helm. The aft cockpit features an extra-large lounge, fully cushioned for entertainment and relaxation. A fiberglass entertainment center conceals a sink with freshwater, an electric grill, and storage below. A stainless steel refrigerator keeps your beverages chilled and ready.

Natural light pours through six hull side windows and three overhead deck windows, enhancing the cabin's open layout. The meticulously designed galley, head, convertible dinette, and full-beam midcabin offer luxury and practicality. The forward convertible dinette transforms into an island berth, while the midcabin accommodates a single or twin bed setup, comfortably sleeping four adults.

Propulsion

This extraordinary yacht is equipped with a pair of powerful Yamaha F350NCC engines, both manufactured in 2018. Each engine boasts an impressive output of 350 horsepower, granting the vessel the capability and velocity needed for any maritime adventure. With just 280 hours logged, these outboard-4S engines remain in pristine condition, ensuring dependable performance and longevity. Engineered to operate on gasoline, they deliver an optimal mix of power and efficiency, making them a perfect match for this yacht. Together, these engines offer a seamless and thrilling propulsion experience, enabling smooth and agile navigation.

Specifications

This yacht features remarkable dimensions, with a total length of 41.17 feet, offering plenty of room for comfort and opulence on the water. The maximum

bridge clearance of 9.92 feet allows for easy navigation under most bridges, while the maximum draft of 3.08 feet ensures adaptability in diverse water conditions. With a beam measuring 12.5 feet, the yacht provides a stable and roomy setting for everyone aboard.

The design incorporates a 20-degree deadrise at the transom, enhancing its superb handling and performance. With a dry weight of 17,750 pounds, this yacht is both sturdy and nimble, prepared for any adventure.

Outfitted with various tanks to support long voyages, the yacht includes a fresh water tank with a 75-gallon capacity, ensuring a plentiful supply for all your needs. The fuel tank holds 300 gallons, offering the range necessary for extended trips, while the holding tank has a capacity of 28 gallons.

The accommodations are carefully planned, featuring one head to provide convenience and comfort for all guests on board. The specifications of this yacht make it a perfect choice for those who desire a combination of performance, comfort, and elegance.

Other details

In offering the particulars of this vessel, the Company acts with integrity, aiming to deliver precise and thorough information. Nonetheless, it is crucial to acknowledge that the Company cannot assure or guarantee the accuracy of the details provided, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any specifics they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
