## OVERVIEW

---

This 1999 Sea Ray 410 Express Cruiser, lovingly maintained and currently kept in fresh water, presents itself with a purposeful yet graceful layout: a cockpit and helm arranged to welcome the whole crew, and a main salon entered by way of a gentle descent where the galley sits to port opposite L-shaped seating to starboard. A clever sliding partition, embellished with a custom mural, converts a portion of the salon into a snug starboard cabin for two, while the salon's convertible sofa provides sleeping space for two more. Forward, the master stateroom opens into a generous private retreat centered on a queen-size island bed, framed by flanking hanging lockers and full-length mirrored doors with a separate access to the port-side head.

Power and creature comforts are equally well considered aboard, with Twin Caterpillar 3116 -TA engines and a Westerbeke generator providing reliable propulsion and auxiliary power; navigation and situational awareness are enhanced by a Garmin 7610 xsp with Radar at the helm; climate control is handled by Twin A/C Systems; housekeeping is simplified with a Central Vacuum System; and entertainment is seamless through a Fusion Stereo System controllable from the main salon or via the Garmin at the helm. Contact me today to arrange a personal viewing of this exceptional yacht for sale.
