## OVERVIEW

---

The 41' Nighthawk captures the essence of the Cigarette brand, presenting an unmatched opportunity for yacht enthusiasts. This luxurious center console is ideal for day trips, featuring state-of-the-art technology and a perfect fusion of comfort, luxury, and high-speed performance.

The Nighthawk distinguishes itself among luxury performance center consoles with its expertly crafted twin-step hull, all-carbon-fiber hardtop, and advanced construction techniques that elevate its capabilities. At the helm, three Garmin 8617 chart plotters are seamlessly integrated into an instrument panel carved from a solid aluminum block. The nano-coated surface is resistant to heat, glare, and fingerprints, while RGB LED accent lighting around the panel gives it a floating appearance. The helm is outfitted with cup holders, dual glove boxes, stainless steel grab bars, and an ergonomic CNC-machined footrest for maximum comfort.

A cutting-edge digital switching system simplifies the yacht's controls, including an automatic sequential engine start with a single button. Cigarette's dedication to excellence is evident throughout, especially in the CNC-milled aluminum components. The ergonomic helm seating features multi-density foam for ultimate comfort, with three independently adjustable electric seats that can convert into bolsters.

RGB ambient lighting is digitally controlled via the multifunctional Garmin displays, powering LED lights across the deck with endless color possibilities. This technology extends to an underwater RGB system, setting the perfect mood for evening outings. The hardtop includes powerful LED downlights and red captain's lighting. JL Audio Marine, a leader in the industry, provides high-quality sound systems that withstand the sea's demands.

The optional Garmin Convenience Package extends control beyond the helm, offering digital switching in the bow and aft social areas. The four-pillar

hardtop is meticulously engineered to lower the center of gravity, enhancing performance without compromising comfort or style. This carbon-fiber hardtop features double curvature, frameless clear-laminated safety glass for wind protection, integrated floodlights, boarding handrails, ambient lighting, and a telescopic sunshade.

# DETAILED DESCRIPTION

---

## Section name

---

This yacht represents the pinnacle of contemporary design and opulence, crafted to deliver an unmatched experience on the water. Its exterior boasts a stunning black gel coat paired with the Nighthawk sport paint package, and the engine cowling is painted in a flawless solid color. Outfitted with Cigarette cool touch fabric, the vessel ensures comfort even under the harshest sunlight.

For audiophiles, the Garmin JL Pure Plus audio system offers an immersive sound experience. The yacht is also equipped with a Garmin convenience package and Garmin autopilot, simplifying navigation. Safety and ease are further enhanced with a concealed gun compartment, quick-release fender holders, and a bow thruster for effortless maneuvering.

The T-Top rain shower and retractable aft sunshade shield you from the elements, while power-adjustable helm seats and dual-row seating provide comfort for all aboard. The vessel includes a windlass system and Mercury Vessel View for smooth operation.

The Seakeeper 3 onboard stabilizes the yacht, ensuring a gentle ride even in rough waters. The Fischer Panda 5KW diesel generator powers the A/C Dometic 6000 BTU, with extra A/C vents in the helm for superior climate control. Additional features include a 120V outlet in the aft, a fresh water washdown hose, and a transom fresh water shower for added convenience.

For night-time enjoyment, Sionyx night vision cameras and underwater lights illuminate the surroundings, while the ACR searchlight guarantees visibility. The light grey soft deck flooring with a diamond pattern adds a touch of sophistication to the interior.

Inside, the yacht is equally remarkable, featuring a forward V berth that comfortably accommodates two. Custom Cigarette carbon fiber tables at the

aft and bow offer a chic setting for dining or relaxation. Entertainment is easily accessible with the Fusion Model MS-RA205 Bluetooth/satellite/AM/FM digital stereo, complete with speakers in the cockpit, bow, and cabin.

This yacht transcends being merely a vessel; it is a haven on the water, embodying luxury, performance, and innovation in every aspect.
