## OVERVIEW

---

For Sale: 2007 NNS Sea Scout 41' Express Cruiser

Presenting Miss Cathy, a singular express cruiser originally built by NNS Shipyard in Turkey and delivered to the United States in 2007. Her pistachio green hull and rich teak decks give her an immediately distinctive presence, while the tasteful interior unfolds into a generous salon with a fully equipped lower galley, a single head, a forward VIP full berth and a comfortable guest cabin to port that also offers a full berth.

Underway she is driven by twin Volvo Penta D6-310D-B IPS 400 powerplants, producing a combined 620 hp and showing only 300 hours of running time, with the ease of a Volvo Penta joystick for precise maneuvering. Recent upgrades and maintenance enhance her readiness, including a new Panda generator, new air conditioning, recent engine services and fresh bottom paint.

Explore yacht sales in the current boat location and arrange a private viewing to experience the blend of luxury, performance and thoughtful engineering that Miss Cathy delivers.
