DETAILED DESCRIPTION

Section name

The 2022 Cigarette 41 Nighthawk exemplifies cutting-edge marine design, driven by the powerful Mercury Racing 450R engines, which have been used for about 250 hours. This yacht includes the assurance of a Mercury warranty valid until September 2026. Currently stationed at TNT in North Miami, the Nighthawk features a sleek and timeless paint scheme that is sure to attract attention on the water.

The helm is outfitted with three 17-inch Garmin displays, offering detailed navigation and system data at your fingertips. For audiophiles, the JL Audio Pure Stereo system provides an outstanding sound experience. The bow thruster makes maneuvering a breeze, while the Cool Touch interior keeps you comfortable even on the warmest days.

The deck is adorned with SeaDek flooring, combining elegance with functionality. A dive door with a swim ladder improves access for aquatic activities. The atmosphere is further enhanced by RGB lighting managed by the Poco System, and the C-Zone Switching system allows for effortless control of the yacht's numerous features. This 2022 Cigarette 41 Nighthawk seamlessly combines performance, luxury, and state-of-the-art technology.

Other details

The Company provides the information about this vessel with sincere intentions, but it is crucial to understand that it cannot ensure the accuracy of these details or guarantee the vessel's condition. Potential buyers are advised to consult their agents or surveyors to meticulously examine and confirm any specifics they consider essential. This vessel is on the market for purchase;

however, please be mindful that it may be sold, have its price adjusted, or be removed from the market without prior notification.

Propulsion

The yacht's propulsion system exemplifies both strength and accuracy, powered by four Mercury Racing 450R engines. Each engine offers a formidable 450 horsepower, allowing the vessel to reach impressive speeds and deliver outstanding performance on the water. With each engine having approximately 250 hours of use, they are in excellent condition and ready for any voyage. These engines operate on gasoline, providing a dependable and efficient fuel source for long-distance travel.

The first two engines are fitted with five-blade propellers crafted from stainless steel, a selection that boosts both durability and performance, ensuring smooth and responsive navigation. The synergy of these high-powered engines and sturdy propellers guarantees that this yacht is not only powerful but also nimble and efficient, making it a perfect choice for those who desire both speed and dependability in their sea adventures.

Specifications

This yacht features remarkable specifications that perfectly balance performance with luxury. Measuring 41 feet in length and with a beam of 11 feet, it provides a generous and stable base for all your sea voyages. The vessel is fitted with a large fuel tank that holds 350 gallons, allowing for long-distance travel without the need for frequent refueling.

Regarding accommodations, the yacht is thoughtfully designed for practicality, including one head to accommodate its guests' needs. These specifications underscore a harmonious design that merges spaciousness, efficient fuel capacity, and essential comforts, making it an excellent option for those who

desire both excitement and relaxation on the water.
