## DETAILED DESCRIPTION

---

### Section name

---

This yacht exemplifies the pinnacle of contemporary design and opulence, showcasing a complete tower with integrated controls and electronics, paired with an Edson Carbon Fiber wheel. The storm grey powder coating lends a refined and polished look. Equipped with a Seakeeper 5, it guarantees stability and comfort, ensuring smooth voyages even in challenging conditions. The yacht is outfitted with 20-foot carbon fiber outriggers, enhancing its fishing prowess, while the 8KW diesel generator ensures dependable power for all onboard systems.

As night falls, the yacht dazzles with an LED spotlight and multi-color LED underwater lights, creating a captivating visual spectacle. The 4X Deluxe Tackle Center caters to fishing aficionados, providing generous storage and organization for all equipment. Anchoring is simplified with a bow windlass mounted through the stem, and the dove gray upholstery package adds a touch of sophistication to the interior.

Weather protection is assured with a three-sided spray enclosure, and the built-in freshwater engine flush system aids in prolonging engine life. Safety is a top priority, with an EPIRB and life raft included. The yacht also comes with full canvas covers for additional protection when not in use.

For leisure and convenience, a power-actuated bow table and a built-in grill in the tackle center are available, making it effortless to host gatherings or enjoy dining on the water. A tow eye is also provided, offering flexibility for towing activities. This yacht seamlessly combines luxury, practicality, and state-of-the-art technology, crafted to deliver an unmatched experience on the water.

## Electronics

---

The yacht's electronic systems are crafted to deliver unparalleled navigation and entertainment experiences. At the helm, three Garmin 8617 displays provide sharp visuals and detailed information, ensuring a seamless and well-informed voyage. The Garmin radar and autopilot systems further boost your navigational prowess, allowing for accurate and effortless handling. Staying connected is simple with the standard VHF radio, ensuring communication is always at your fingertips.

For entertainment, the yacht boasts a Polk stereo system, offering exceptional sound quality throughout the vessel. The helm master joystick provides intuitive handling, making yacht maneuvering effortless. A spotlight is included to enhance visibility during nighttime adventures. Additionally, the yacht is equipped with a Jensen TV and DVD player, offering entertainment options for leisurely evenings or extended trips. This all-encompassing electronics suite guarantees that every journey is both pleasurable and efficient, blending cutting-edge technology with ease of use.

## Engines

---

The yacht is driven by a remarkable quartet of Yamaha F350 engines, offering outstanding performance and dependability on the water. These engines feature the sophisticated Helmmaster system, ensuring precise handling and agility, making docking and navigation effortlessly smooth. Custom painted in a striking white with Chromax logos, the engines add a layer of elegance and style to the yacht's overall aesthetic.

Having clocked approximately 1,115 hours, these engines have been diligently maintained, with a comprehensive service completed in April 2023 to keep them in top condition. The generator, with 1,454 hours of operation, further underscores the yacht's dedication to performance and reliability. This robust

engine configuration guarantees the yacht is prepared for any journey, delivering both speed and efficiency for an unmatched yachting experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
