OVERVIEW

The BG42 is a compact, true thoroughbred walkaround conceived to exhilarate and perform, a pocket-sized rocket that marries grace with raw capability. Propelled by twin Volvo Penta D6-IPS600 440 HP engines, she settles into a relaxed 27-knot cruise and confidently surges to 34 knots, making every passage both rapid and composed.

Her deck layout, from cockpit through bow, is an ode to open-air life at sea, offering expansive exterior spaces that keep you constantly in touch with the elements. A recently renewed full teak deck enhances the tactile pleasure underfoot and signals meticulous upkeep, imbuing warmth, secure footing, and enduring refinement.

Below, the BG42 continues to surprise: despite a rakish exterior she comfortably sleeps up to four guests. A full-beam owner's cabin provides a generous private retreat, while the salon's forward U-shaped settee converts into an additional double, forming a flexible dining and lounging area that adapts effortlessly to each moment aboard.

Equally suited to dayboating, sport cruising, express runs, serving as a luxurious tender, or presenting as a sleek motor yacht, her versatility fulfills every yachting aspiration. Offered fully turnkey and ready to roam, she is engineered to captivate—turning heads in every bay and marina while delivering the swift, effortless cruising that defines the BG42 experience.
