DETAILED DESCRIPTION

Madame

Madame's sleek silhouette and a carefully planned walkaround deck allow effortless circulation and usability throughout the yacht. A generous beam and a sheltered cockpit create inviting social spaces for entertaining and relaxing at anchor, while a hydraulic gangway and an integrated swimming ladder provide smooth boarding and direct access to the water. Conceived with both comfort and practicality in mind, the stylish contemporary interior is finished to a high standard and thoughtfully equipped with air conditioning, a microwave oven, a refrigerator, a battery charger and modern onboard systems, ensuring a comfortable onboard experience whether cruising the coastline or remaining at anchor for extended periods. Driven for spirited performance, she achieves top speeds of up to 38 knots, delivering the dynamic handling and sporty character that define the BG42 range. With a shallow draft of just over one metre she accesses secluded bays and coastal spots often unreachable to larger vessels, and her fuel efficient cruising capabilities and practical onboard storage tailor her perfectly to Mediterranean cruising and island hopping. Presented in turn key condition, Madame 12.98M was delivered in 2023 and is offered for sale in outstanding condition, embodying the bold innovation and contemporary Italian styling for which Bluegame is internationally recognised, marrying striking design with performance to deliver a sophisticated yachting lifestyle equally suited to day cruising and extended coastal adventures.
