## OVERVIEW

---

The Midnight Express 43 Open is a taut, high-performance center console conceived to serve as a superyacht tender, chase boat, or luxurious dayboat, fusing breathless speed with genuine bluewater confidence. Its svelte silhouette and competition-bred DNA announce a pedigree of performance, while a sharp deep-V hull provides poise and composure offshore, slicing through chop with assurance even at elevated velocities. Potent outboard power delivers instant punch and notable fuel efficiency, enabling the 43 Open to settle into a blistering 52-knot cruising speed that underlines its bona fide offshore capability and long-range pace.

Decks are broad and uncluttered, arranged with adaptable seating and elegant detailing to create an inviting platform for entertaining or extended passages; premium materials and meticulous fit and finish reflect Midnight Express's race-inspired build ethos and hallmark precision. Repowered with new engines in 2022 and maintained in immaculate condition, this performance yacht combines rugged, competition-rooted construction with refined appointments that never feel compromised by speed.

From the helm's intuitive ergonomics to the thoughtful planning fore and aft, every element supports effortless, spirited boating. Striking to behold and even more compelling underway, the Midnight Express 43 Open is a formidable offshore powerboat and superyacht chase tender that looks as fast as it performs, promising an exhilarating, luxurious experience day after day.
