# OVERVIEW

---

A TRUE SHOWSTOPPER!

G SPOT is a stunning express cruiser that masterfully blends a vibrant deck layout with exquisite Italian design, perfect for an enjoyable day on the water. This yacht for sale is powered by Twin Cummins QSB engines, each producing 480HP, ensuring reliable performance and an exhilarating journey. The Xenta Smart-Stick Joystick control offers seamless maneuverability of the pod drives, similar to traditional shafts. The original owner has diligently cared for her, sparing no expense.

There is plenty of room for you and your guests to dine, socialize, and soak up the sun throughout this yacht. The spacious cockpit features twin chairs that convert into chaise lounges, an L-shaped settee to port, and a Hi-Lo table for alfresco dining. The cockpit galley, equipped with a wet bar, refrigerator, and cooktop, makes entertaining effortless. The foredeck sunpad is ample enough for two or more to relax or sunbathe.

Below deck, the light oak wood pairs beautifully with leather accents. The forward cabin includes a double berth, two hanging lockers, a flatscreen TV, twin portholes, and a fold-down vanity. The head boasts a roomy mosaic-tiled shower stall. In the salon, the L-shaped settee can be transformed into a berth, providing an ideal spot for watching a film or taking a nap. Reveal the hideaway table from beneath the stairs, and voilà—another dining space.

G SPOT is outfitted with everything you and your guests need for a day or weekend on the water!

# DETAILED DESCRIPTION

---

## Features and Upgrades

---

This remarkable yacht is equipped with twin Cummins QSB engines, each producing a remarkable 480 horsepower, guaranteeing a robust and seamless cruising experience. The Xenta Joystick makes handling a breeze, while the straight shaft drive and bow thruster offer precise maneuverability and stability. Aboard, the Cummins Onan generator provides a dependable power source, enabling you to enjoy all the comforts of home, such as air conditioning and heating.

Entertainment is readily available with flatscreen TVs, ideal for relaxing after a day spent on the water. The yacht's interior boasts a luxurious mosaic-tiled shower stall, adding a touch of sophistication to your daily routine. For water sports enthusiasts, a Freedom Lift is included, and a 2017 Yamaha EX Sport Jet Ski is available as a negotiable option.

The yacht's exterior is equally striking, featuring a stainless steel anchor and a blend of stainless steel and polished wood handrails, which not only enhance safety but also contribute to the vessel's visual appeal. This yacht perfectly combines performance, luxury, and style, offering an unmatched experience on the water.

## Cockpit

---

The cockpit of this yacht is crafted for both leisure and socializing, offering a flexible and opulent environment. Twin chairs easily transform into chaise lounges, creating an ideal spot to bask in the sun or enjoy a relaxed afternoon. For those who enjoy hosting, the cockpit features speakers that provide excellent sound quality, setting the perfect mood for any occasion.

A well-equipped wet bar and preparation area make entertaining effortless, complete with a cooktop and microwave for easy meal preparation. The refrigerator/freezer keeps your beverages perfectly chilled and ready to serve. The L-shaped settee provides generous seating, paired with a Hi-Lo table that can be adjusted to meet your needs, whether for dining or casual drinks. To enhance your comfort, an extra sunshade offers protection from the sun, while the hardtop vent ensures optimal airflow. Double transom doors open to the swim platform, where a swim ladder provides easy access to the water, making this cockpit a seamless blend of practicality and elegance for all your yachting experiences.

## Helm

---

The helm of this yacht exemplifies precision and control, outfitted with cutting-edge technology to elevate your navigation experience. Central to the helm is the Raymarine E120 multifunction display, delivering detailed data and insights right at your fingertips. The Xenta Joystick system provides intuitive control, making docking and maneuvering a breeze, even in confined areas. To ensure peak performance, the helm includes trim tabs, allowing you to fine-tune the vessel's balance and boost efficiency. A dependable compass guarantees precise navigation, while the electric windlass streamlines anchor handling, offering ease and convenience on your journeys. The helm also features analog engine gauges, providing clear and immediate feedback on engine performance.

Enhancing the helm's comfort and style is a teak footrest, adding a touch of sophistication and ensuring a comfortable stance as you steer the yacht. This helm is crafted to seamlessly integrate technology, functionality, and comfort, ensuring every voyage is a delight.

## Salon

---

The salon of this yacht seamlessly combines comfort with practicality, creating an inviting and adaptable living area. Central to the salon is an L-shaped settee that easily transforms into a berth, providing extra sleeping space when required. For added privacy, a handy screen can be drawn, offering a private retreat within the salon.

A retractable table enhances the salon's flexibility, tucking away neatly when not in use to optimize space. Entertainment is readily available with a flatscreen TV, ideal for watching movies or catching up on your favorite series. Generous storage cabinets are cleverly incorporated into the design, offering ample room to keep your belongings organized and out of view.

Natural light pours into the salon through a strategically placed porthole, enhancing the welcoming ambiance and providing a view of the surrounding sea. This salon perfectly balances elegance and functionality, ensuring a comfortable and delightful experience on board.

## Forward cabin

---

The forward cabin of this yacht is a haven of comfort and efficiency, meticulously crafted to optimize space and ease of use. At its core is a centerline double berth, offering a roomy and welcoming sleeping area. On either side of the berth are twin hanging lockers, providing generous space for clothing and personal belongings, while additional storage cabinets ensure everything is neatly stowed.

For those who value smart storage options, underbed storage is available, making it simple to keep the cabin neat and organized. The cabin is fitted with air conditioning, ensuring a pleasant atmosphere regardless of the weather outside. Reading lights are thoughtfully positioned to offer ample lighting for nighttime reading or relaxation.

A fold-down vanity adds a luxurious and functional touch, allowing for personal grooming in privacy. Natural light and fresh air enter through two portholes, enhancing the cabin's open feel, while an escape hatch offers an extra layer of safety and reassurance. This forward cabin perfectly combines style, comfort, and practicality, making it an ideal retreat on the water.

## Day head

---

The day head of this yacht exemplifies contemporary design and utility, presenting a space that is both functional and sophisticated. At its heart lies the electric Vacuflush system, ensuring efficient and dependable sanitation. The vanity is carefully crafted, providing a convenient area for personal grooming, complemented by generous storage to keep essentials neatly arranged.

Infusing a sense of luxury, the day head boasts a mosaic tiled backsplash and a mosaic tiled shower stall, creating a visually striking and harmonious aesthetic. These features not only enhance the overall appearance but also guarantee durability and ease of upkeep. This day head perfectly marries style with practicality, ensuring every detail contributes to a comfortable and pleasurable experience on board.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
